"Public nuisance" shall include, but not be limited to, whatever is forbidden by any provisions of this chapter and the common and statute law of this state.

('88 Code, Title IX, Ch. 109, § 9.1)

§ 90.02 DRAINAGE OF LOTS.

If any lands, excavations, cellar, vault, sewer, drain, place or premises within the City shall be damp, unwholesome, offensive or filthy, or be covered during any portion of the year with stagnant or impure water, or shall be in such condition as to produce offensive exhalations, the City Commission or Health Officer may require the same to be drained, filled up, cleansed or purified by the owner, or occupant, or person in charge of such lot, premises or place.

§ 90.03 SMOKE AND AIR POLLUTION.

No individual or individuals shall cause, suffer or allow to be discharged in the atmosphere from any source other than ships, marine vessels, railroad locomotives, or air or land transport vehicles, smoke the shade or appearance of which is equivalent to, or greater than, that density described as No. 2 of the Ringelmann Chart, provided, however, that smoke, the shade or appearance of which is equivalent to, but not darker than, No. 2 of the Ringelmann Chart for a period or periods aggregating four minutes in any 30 minutes shall be permitted and provided further, that smoke, the shade or appearance of which is equivalent to, but not darker than, No. 3 of the Ringelmann Chart for a period or periods aggregating three minutes in any 15 minutes shall also be permitted when building new fire or when breakdown or malfunctioning of equipment occurs such as to make it evident that the emission was not reasonably preventable.

§ 90.04 VIBRATION FROM INDUSTRIAL OR COMMERCIAL DISTRICT; CONSTRUCTION EXEMPT.

No commercial or industrial district use shall generate any ground transmitted vibration that is perceptible to the human sense of touch of a panel of healthy observers measured at either the outside boundary of the immediate space occupied by the enterprise generating the vibration if the enterprise is one of several located on the lot or the lot line if the enterprise generating the vibration is the only enterprise located on a lot. Vibrations resulting from construction activity that occurs between 7:00 a.m. and 7:00 p.m. shall be exempt from the requirements of this section.

(’88 Code, Title IX, Ch. 109, § 9.22)

§ 90.17 NOISE RESTRICTIONS FOR INDUSTRIAL AND COMMERCIAL ZONING DISTRICTS.

(A) No Industrial District (I) and C-1, C-2 and C-3 Commercial District uses shall generate noise that tends to have an annoying or disruptive effect upon uses located outside the immediate space occupied by the I, C-1, C-2 and C-3 district uses if those uses be one of several located on a lot or uses located on adjacent lots.

(B) Except as provided in division (F), the table set forth in division (E) establishes the maximum permissible noise levels for I, C-1, C-2 and C-3 district uses. Measurements shall be taken at the boundary line of lot where those uses are located, and, as indicated, the maximum permissible noise levels vary according to the zoning of the lot adjacent to the lot on which the district uses identified in division (A) are located.

(C) A **DECIBEL** is a measure of a unit of sound pressure. Since sound waves having the same decibel level “sound” louder or softer to the human ear depending upon the frequency of the sound wave in cycles-per-second (i.e., whether pitch of the sound is high or low), and A-weighted filter constructed in accordance with the specifications of the American Standards Institute, which automatically takes account of the varying effect on the human ear of different pitches, shall be used on and sound level meter taking measurements required by this section. And accordingly, all measurements are expressed in db(A) to reflect the use of this A-weighted filter.

(D) The standards established in the table set forth in division (E) are expressed in terms of the Equivalent Sound Level (Leq), which must be

calculated by taking 100 instantaneous A-weighted sound levels at 10-second intervals.

(E) *Table of Maximum Permitted Sound Levels, dB(A).*

* 7:00 a.m. to 10:00 p.m. a.m.

** 10:00 p.m. to 7:00 a.m.

(F) **SPIKE NOISES** are sounds that occur intermittently rather than continuously. Spike noises generated by sources that do not operate more than one minute in any one-hour period are permissible up to a level of 10 db(A) in excess of the figures listed in division (E), except that this higher level of permissible noise shall not apply from 10:00 p.m. to 7:00 a.m. when the adjacent lot is zoned residential. The impact noise shall be measured using the fast response of the sound level meter. (Ord. 250-8-88, passed 8-15-88) Penalty, see § 90.99

§ 90.18 CONSTRUCTION ACTIVITY.

Noise resulting from construction activity that occurs between 7:00 a.m. and 7:00 p.m. shall be exempt from the requirements of § 90.18. (Ord. 250-8-88, passed 8-15-88)

§ 90.19 TRUCKS.

No trucks while stationary on an industrial or commercial district use shall make any noise greater than the standard established in the table in § 90.17(E) for a period or periods aggregating 15 minutes in any hour. (Ord. 250-8-88, passed 8-15-88) Penalty, see § 90.99

GRASS AND WEEDS

§ 90.25 FINDINGS AND PURPOSE.

The City Commission finds the failure to cut and mow grass and weeds in the City creates a nuisance. Such failure to act is harmful to the health and well-being and is contrary to the general welfare of the residents. Specifically, the failure to mow the grass and cut weeds in the City:

(A) Creates a nuisance in that weeds are permitted to seed and spread onto the lawns of neighbors.

(B) Creates a health hazard in the lawns overgrown with weeds and contributes to the amount and spread of pollen, affecting those who suffer from allergies.

(C) Affects property appearances and thus the value of adjoining properties.

(D) Creates a danger of crime where unkept lawns may give rise to an assumption that premises are unoccupied.

(E) Creates an environment to which rodents and other undesirable pests are attracted.

(F) Affects the public welfare by reflecting negatively on the City and its citizens. (Ord. 275-6-89, passed 6-23-89) Penalty, see § 90.99

§ 90.26 RESTRICTIONS, EXCEPTIONS.

(A) It shall be unlawful for any owner and /or occupant of any real estate within the City to allow or maintain on any portion of such real estate and into the right-of-way one foot beyond any curb or pavement line adjacent to such real estate any growth of vegetation not edible or planted for some useful or ornamental purpose that:

(1) Exceeds six inches in height;

(2) Blocks, impedes and/or obstructs stormwater runoff;

(3) Grows in sidewalks or other walking areas, or between sidewalk and curbing with a service strip;

- (4) Emits any unpleasant or noxious odor;
- (5) Conceals a filthy deposit; or
- (6) Creates or produces pollen

(B) This section shall not be enforced with respect to weeds, grass, or similar vegetation when such growth is more than 50 feet from land owned by any other person or from any street or alley or with respect to the common boundary or adjoining unused vacant lots.

(Ord. 275-6-89, passed 6-23-89; Am. Ord. 306-7-91, passed 7-1-91) Penalty, see § 90.99

§ 90.27 NOTICE TO OWNER OR OCCUPANT TO REMOVE.

(A) Whenever it shall be reported to or observed by the Department of Community Development or the Department of Public Safety that any owner or occupant of real property has failed to comply with any of the terms of § 90.26, the Department of Community Development shall cause notice to be delivered in the manner prescribed in § 10.14 directing the owner or occupant to comply within five days.

(B) Any person failing to mow the grass or cut the weeds within five days of the posting, mailing, or actual receipt of the notice to do so, shall be responsible for a municipal civil infraction and subject to the penalty prescribed in § 90.99.

(Ord. 275-6-89, passed 6-23-89; Am. Ord. 465-4-00, passed 4-17-00; Am. Ord. 626-07-10, passed 7-6-10; Am. Ord. 762-07-20, passed 7-20-20) Penalty, see § 90.99

§ 90.28 ABATEMENT OF NUISANCE.

(A) In the event the owner or occupant fails to mow the grass and cut the weeds within five days of the posting, mailing, or actual receipt of the notice to do so, the Department of Community Development may have the offending vegetation cut and removed. When such an action is taken the owner shall be billed for the cost of the work plus an administrative fee of 20%. The costs and fees shall be in addition to fines and costs for municipal civil infractions. Costs and fees may be collected by any procedure authorized by law.

(B) After notice has been delivered personally or by certified mail to the owner at least once in any growing season (May through October) additional notices during that same growing season can be delivered to or posted at the site with copies sent by

first class mail to the owner and occupant, but no citation shall be issued and no abatement ordered by the Department of Community Development shall occur until the tenth day after delivery or posting and mailing of the notice.

(Ord. 275-6-89, passed 6-23-89; Am. Ord. 465-4-00, passed 4-17-00; Am. Ord. 626-07-10, passed 7-6-10; Am. Ord. 762-07-20, passed 7-20-20) Penalty, see § 90.99

('88 Code, Title IX, Ch. 109, § 9.45) Penalty, see § 90.99

§ 90.31 DEPOSIT OF INJURIOUS SUBSTANCES.

('88 Code, Title IX, Ch. 109, § 9.46) Penalty, see § 90.99

BLIGHT PREVENTION

§ 90.35 BLIGHT CONDITIONS; FINDINGS AND PURPOSE.

The City Commission hereby finds and determines that conditions of blight contribute to the deterioration of areas and neighborhoods within the City. Such conditions of blight cause, create or constitute a nuisance, and are harmful to the health,

well-being and welfare of City residents and the general public. Specifically, the failure to keep real property free from blight conditions in the City:

(A) Creates a nuisance in that litter and other materials scatter into yards of neighbors.

(B) Affects property appearances and thus, decreases the value of adjoining properties.

(C) Creates an environment to which rodents and other undesirable pests are attracted.

(D) Creates a danger of crime where substandard building conditions or facilities may give rise to an assumption that premises are unoccupied.

(E) Affects the public welfare by reflecting negatively on the City and its citizens.
(Ord. 304-4-91, passed 6-17-91) Penalty, see § 90.99

(2) Litter, junk, trash, rubbish or garbage or other unwholesome, hazardous or injurious substances. For the purpose of this section, the term **JUNK** includes, but is not necessarily limited to, equipment and machines or parts therefrom, motor vehicle parts, appliances, furniture, remnants of lumber, metal, plastic or other material of a cast-off nature, whether or not such material could be put to any reasonable use, unless such items are stored completely in an enclosed building.

(3) Any vacant dwelling, garage or other outbuilding that is not kept securely closed, with windows glazed or neatly boarded up or otherwise secured to prevent entrance by vandals.

(4) Any structure or portion thereof that is no longer habitable or useful for any discernible legal purpose.

(5) Any partially completed structure, unless such structure is in the course of construction pursuant to a valid building permit.

(B) This section shall not be enforced when the structures, activities or uses identified in division (A) are incidental to and necessary for the operation of any business or occupation lawfully operating on the property.

(C) A person who violates any provision of this section shall be responsible for a municipal civil infraction and shall be penalized as provided in § 10.97.
(Ord. 304-4-91, passed 6-17-91; Am. Ord. 442-2-99, passed 2-4-99; Am. Ord. 459-1-00, passed 1-3-00) Penalty, see § 90.99

REPEATED ILLEGAL ACTIVITY INVOLVING CONTROLLED SUBSTANCES OR ALCOHOL

§ 90.80 LEGISLATIVE FINDINGS.

The City Commission determines that whenever the repeated illegal use, sale, distribution, furnishing or possession of controlled substances or alcoholic beverages occurs on any real property, or whenever any real property is used repeatedly for the violation of laws regulating controlled substances, alcoholic beverages, or nuisance parties, a public nuisance may result. A public nuisance results from the increased criminal activity that occurs within the surrounding neighborhood, the increased pedestrian

and vehicular traffic within the surrounding neighborhood, the increased noise and public disturbances that occur within the surrounding neighborhood by reason of loud music, yelling and screaming, brawls, domestic violence, damage to personal property, litter and public urination, and the fear engendered in the minds of neighbors living in the surrounding neighborhood.
(Ord. 483-8-01, passed 8-6-01)

§ 90.82 DECLARATION OF PUBLIC NUISANCE.

Whenever one of these specified incidents or conditions occurs or exists repeatedly on any real property within the City of Big Rapids, the City Commission may declare by resolution that the real property is a public nuisance, and may order the nuisance abated:

(B) The illegal use, sale, distribution, furnishing or possession of an alcoholic beverage; or

(C) Holding, sponsoring, causing, or allowing a nuisance party.
(Ord. 483-8-01, passed 8-6-01)

§ 90.83 PROCEDURE FOR DECLARATION OF A PUBLIC NUISANCE.

A declaration of a public nuisance under this chapter by the City Commission shall occur according to the following procedure.

(A) A declaration of a public nuisance can occur only after a formal complaint is filed by the City's Director of Public Safety and notice is given to the owner of the real property and the owner has had an opportunity to be heard at a public evidentiary hearing before the City Commission.

(B) Notice of the public evidentiary hearing shall be given to the owner by personal service or certified mail to the address indicated by the City Assessor's records, the Mecosta County Register of Deeds records, and the City's Community Development Department records. The notice shall state the nature of the alleged public nuisance, and the time, date and location of the hearing. Certified mail shall be delivered with a return receipt requested. Notice to an owner shall occur at least seven calendar days prior to the date of the hearing. Notice shall be given to any and all persons who have an ownership interest in the real property, including record title owners, mortgage holders, tenants, and trustees, whose ownership interest is reflected in the records described above. Notice shall be posted on the real property at least seven calendar days prior to the date of the hearing.

(C) The City Commission shall act as a municipal administrative agency, functioning in a quasi-judicial capacity as authorized by state law and its Charter, when determining whether or not a public nuisance exists under the standards established in this Chapter. The City Commission shall make this determination based solely on evidence presented at the public evidentiary hearing, of which a record shall be made and kept. In conducting the public evidentiary hearing, the City Commission shall afford an owner and City personnel an opportunity to present evidence and make arguments as to factual and legal issues. Cross-examination of opposing witnesses shall be permitted. An owner may appear in person or be represented by an attorney, but lay representation

shall not be permitted. In conducting the public evidentiary hearing, the City Commission can admit and give weight to probative evidence of a nature commonly relied upon by reasonably prudent individuals in the conduct of their affairs. The City Commission shall not be bound by the Michigan Rules of Evidence. Irrelevant, incompetent and unduly repetitious evidence shall be excluded.

(D) The City Commission shall make factual findings at the close of the public evidentiary hearing, determining at a minimum:

- (1) The street address and legal description of the property; and
- (2) The owner(s) of the real property; and
- (3) The number and nature of specified incidents or conditions; and
- (4) The time frame in which these occurred or existed; and
- (5) The nature of the alleged public nuisance; and
- (6) The actions taken by the owner to prevent or abate the specified incidents or conditions.

(E) The declaration of a public nuisance and any order of abatement must be by an affirmative vote of not less than four City Commission members. (Ord. 483-8-01, passed 8-6-01; Am. Ord. 762-07-20, passed 7-20-20)

§ 90.84 ABATEMENT OF NUISANCE AND COSTS.

If the City Commission determines by resolution that any real property is a public nuisance according to the provisions of this Chapter, and after giving due consideration to the actions taken by the owner to prevent or abate the specified incidents or conditions, it may order abatement of the public nuisance in addition to any other remedies available at law or in equity. The order of abatement can be entered at the public evidentiary hearing on the alleged public nuisance, or at a later hearing noticed out in the same manner as the public evidentiary hearing. The City Commission may receive additional evidence on the issue of abatement.

(A) If it is determined that all or a portion of the real property should be vacated to abate the public nuisance, the City Commission shall order the real property vacated and declare occupancy of all or a

portion of the real property prohibited, which shall authorize the Director of Public Safety to prohibit occupancy by padlocking, boarding, or otherwise securing the real property, for up to one year as determined by the City Commission based upon the evidence.

(B) The City Commission may determine and order that the owner shall be liable for the full cost of materials and personnel, including City employees and contractors, utilized in padlocking, boarding or securing the real property, and subsequent or remedial actions required to keep the real property vacant for the abatement period.

(C) The City Commission may order the costs assessed against the real property and collected as taxes.

(D) The City Commission may revoke the housing maintenance certificate for any real property determined to be a public nuisance, and the real property shall not be occupied by a tenant until a housing maintenance certificate has been requested and issued according to § 151.20.

(E) Where only a discrete area of the real property is involved in the illegal activity giving rise to the declaration of a public nuisance, the City Commission shall not order any other part of the real property vacated. By the way of example, if only a single apartment in a multiple unit structure is the site of the incidents or conditions specified in this Chapter, then the City Commission shall vacate the single apartment, and not the entire structure. (Ord. 483-8-01, passed 8-6-01; Am. Ord. 567-06-06, passed 6-5-06)

§ 90.85 FINDING OF PUBLIC NUISANCE.

(1) The real property has been searched by law enforcement officers and an illegal controlled substance has been found on site.

(2) The real property has been the site of a nuisance party as defined in the Big Rapids City Code.

(3) The real property has been the site of the illegal use, sale, distribution, furnishing or possession of a controlled substance or an alcoholic beverage.

(B) A rebuttable presumption that a public nuisance exists at the real property arises when one of the incidents or conditions occurs or exists and notice of it is given by personal service or certified mail to the owner with an explanation of the potential consequences if similar activities occurs at the property within nine months, and if two or more specified incidents or conditions occur or are found to exist within nine months of the first.

(Ord. 483-8-01, passed 8-6-01)

§ 90.87 APPEAL.

(A) An owner of real property aggrieved by any final decision or order of the City Commission under this chapter may appeal to the Circuit Court within 21 days of the date of the decision or order.

(B) The Circuit Court shall consider the appeal on the record made before the City Commission. The Circuit Court shall review the record and determine if the City Commission’s decision or order

(1) Complies with state and local law,

(2) Is supported by competent, substantial and material evidence on the record as a whole, and

(3) Involves the reasonable exercise of discretion. (Ord. 483-8-01, passed 8-6-01)

§ 90.88 POSTING AND LISTING OF PUBLIC NUISANCES.

(A) Whenever the City Commission declares real property is a public nuisance and orders the nuisance abated by ordering that the real property be vacated, the Department of Public Safety shall post a notice so stating at every entrance to each building on the real property, and at the entrance to each dwelling unit or other portion of the real property ordered vacated.

(B) The City Clerk and Department of Community Development shall maintain a list of those real properties declared to be public nuisances, and the order of abatement or other remedies ordered by the City Commission. Any person requesting a copy of the list shall be supplied one at no charge. The list shall be available for public inspection at the City Clerk's office.

(Ord. 483-8-01, passed 8-6-01)

§ 94.25 CENTRAL BUSINESS DISTRICT SIDEWALK OCCUPANCY PERMITS.

(A) *Permits authorized.* In the interest of promoting business by increasing activity and improving the general business climate in the Central Business District, that being the area generally bounded by State Street, Hemlock Street, Warren Avenue, and Linden Street, the City Manager may issue revocable permits to businesses within the district who apply for a permit to operate an outside establishment as an extension of, or compatible with, the existing business on a portion of a City sidewalk. This language shall not be construed as to require sidewalk occupancy permits for entities participating in periodic, district-wide events, such as those

sponsored by the Downtown Business Association. The outside activities are limited to activities carried on by the existing business. The permit may be issued under the following terms and conditions as set forth in this section.

(B) *Conditions.* Such permits shall be issued when the City Manager, or his or her designee, is able to determine that the requested occupancy permit will not:

- (1) Unreasonably interfere with the use of the street for pedestrian or vehicular travel.
- (2) Unreasonably interfere with the view of, access to, or use of property adjacent to the street.
- (3) Unreasonably interfere with street cleaning or snow removal activities.

- (8) Reduce pedestrian travel area of any sidewalk to less than six feet in width.
- (9) Hinder safe pedestrian use of sidewalks or safe ingress or egress to any building.

(C) *Sale of food and beverages.* To secure a sidewalk occupancy permit for the sale of food and/or beverages in an area located on a public sidewalk, the following conditions must be met:

- (1) Areas of the sidewalk used for the consumption of food and/or beverages may be enclosed by a structure approved by the City Manager or his or her designee. The purpose of this structure shall be to delineate the private use area from the public access area of the sidewalk.
 - (a) Such structures shall be required if the City Manager or his or her designee determines that private street furniture (tables, chairs, and other similar fixtures) associated with an eating establishment is frequently moved into the travel lane of the sidewalk or obstructs the sidewalk in any manner.

(b) Such structures may be required at any point after a sidewalk use permit is issued to an eating establishment.

(2) Sidewalk areas used for the sale and/or consumption of food and/or beverages shall be kept in a clean and orderly manner and shall at a minimum:

- (a) Be provided with adequate solid waste receptacles so as to allow for the convenient disposal of waste materials associated with the private use of the sidewalk space.
- (b) Tables, chairs, and other appurtenances of the food and/or beverage consumption area shall be placed in such a manner so as not to hinder safe pedestrian use of the sidewalk and shall not block the ingress or egress to any building.

(3) The sale, possession and consumption of alcohol and alcoholic beverages on the sidewalk is allowed only in those areas for which a permit under this section has been granted.

(D) *Public notice required.* Prior to considering granting a requested sidewalk occupancy permit, notice of the request shall be given to property owners and occupants adjacent to the business or entity seeking the permit a minimum of seven days prior to the permit being granted.

(E) *Insurance requirements.* Prior to the issuance of a sidewalk occupancy permit, the applicant must supply the City with a certificate of liability insurance in an amount to be determined by the City. The certificate of insurance must be in effect for at least the period that the permit will be issued. In addition, the applicant shall indemnify and hold harmless the City from all claims or damages incident to the creation and operation of an outside establishment.

(F) *Effective dates and hours of operation.*

- (1) All permits shall specify the dates and duration of the permitted sidewalk occupancy, and the permits shall be valid for only the specified period. Permits may not be granted for a period in excess of 12 months. Sidewalk occupancy permits terminate on March 31 of each year.
- (2) All permits shall specify the hours during which the permitted sidewalk occupancy may occur during any given day of the valid permit period.

(G) *Display.* Permits shall only be valid if displayed in a manner visible to the public.

(H) *Fees.* Prior to considering a request for a sidewalk occupancy permit, an application fee in an amount to be established by resolution of the City Commission shall be paid by the applicant.

(I) *Revocation.* All permits issued under this section are subject to immediate revocation by the City Manager or his or her designee for failure to comply with any or all provisions of this section. (Ord. 362-7-94, passed 7-5-94; Am. Ord. 382-3-95, passed 4-17-95; Am. Ord. 418-3-97, passed 3-17-97; Am. Ord. 594-04-08, passed 4-21-08; Am. Ord. 716-02-18, passed 2-19-18) Penalty, see § 94.99

(B) Every public utility franchise shall be subject to the right of the City to use, control, and regulate the use of its streets, alleys, bridges, and public places and the space above and beneath them. Every public utility shall pay such part of the cost of improving or maintaining streets, alleys, bridges and public places as shall arise from its use thereof, and shall protect and hold the City harmless from all damages arising from said use. The City may require every franchise to permit joint use of its property and appurtenances located in the streets, alleys and public places by the City and by other utilities insofar as such joint use may be reasonably practicable. The City Commission shall arbitrate the terms and conditions of joint use and the compensation to be paid. The City Commission's decision shall be final.

(C) No person, public utility, business or association, public or private, shall use, install or construct any wire, pole, pipe, track, conduit, antenna, or other utility facility in the City streets, alleys, highways, public places or rights-of-way without first obtaining a permit from the City that describes the use, work, and facility and requires an "as built" blueprint or diagram to be filed with the City.

(D) No easement shall be granted by the City for the placement or installation of any wire, pole, pipe, track, conduit, antenna or other facility in the City streets, alleys, highways, public places or rights-of-way, but the City may grant a revocable license or permit for such purposes.
