CHARTER

Editor's note: The foregoing Charter of the City was adopted by members of the Charter Revision Committee on May 22, 2012. It was adopted by the electorate on August 7, 2012 and went into effect on October 9, 2012.

A revision of Section 8.10 (Purchasing Procedure) was voted on by the people on November 7, 2017.

PREAMBLE

We, the people of the City of Big Rapids, Mecosta County, Michigan, by authority of the Constitution of Michigan and Act 279 of 1909 [MCL 117.1 et seq.] hereby ordain and establish this home rule charter for the City of Big Rapids.

CHAPTER I. CONTINUATION OF EXISTING CORPORATION BOUNDARIES

Section 1.1 Continuation of Existing Corporation.

The municipal corporation known as the City of Big Rapids, in the County of Mecosta and State of Michigan, formally incorporated by the Michigan Legislature in 1869 LA 459, shall continue as a body politic and corporate under the same name as its limits now are or hereafter may be established.

The Big Rapids Charter Revision Commission consisting of Edward Burch, Pamela Fleming, Richard Hansen, Robert Hendrickson, Thomas J. Hogenson, Robert Krueger, Luanne Rothstein, Mary Ryan and Alma M. Wortley proposed a revised City Charter in 2012.

Section 1.2 Alteration of Boundaries.

Territory may be attached to or detached from the City in the manner provided by State law.

CHAPTER II. GENERAL MUNICIPAL POWERS

Section 2.1 General Municipal Powers.

The City of Big Rapids and its officers, unless otherwise provided or limited by this Charter, shall be vested with any and all powers, privileges, and immunities, expressed and implied, that the Constitution and laws of the State of Michigan

including Public Act 279 of 1909 [MCL 117.1 et seq.] now or in the future, may provide. No enumeration of particular powers, privileges, or immunities in this Charter shall be held to be exclusive.

Section 2.2 Additional Powers of the City.

The City and its officers shall have power to exercise all municipal powers in managing and controlling municipal property and in administering the municipal government, whether such powers are expressly enumerated or not; to do any act to advance the interests of the City, the good government, and prosperity of the municipality and its residents, and through its regularly constituted authority, to pass and enforce all laws, ordinances and resolutions relating to its municipal concerns, subject to the constitution and general laws of the State and the provisions of this Charter.

Section 2.3 Exercise of Power.

When no procedure is set forth in this Charter for the exercise of any power granted to or possessed by the City and its officers, the City may employ any procedure permitted by any statute of the State of Michigan. If alternate procedures are provided by different statutes, the City Commission shall select the procedure it considers to be most expeditious and advantageous to the City and its residents. Where no procedure for the exercise of any power of the City is set forth, either in this Charter or in any statute of the State of Michigan, the City Commission may prescribe by ordinance a procedure for the exercise thereof.

Section 2.4 Succession to Properties of Present City.

The City shall succeed to own, possess and control all the records and documents, all other property, whether located inside or outside the boundaries of the City, and all privileges, grants, franchises, powers and immunities possessed by the existing City of Big Rapids.

Section 2.5 Liability and Obligations of Present City.

The City shall be subject to and liable for all debts, liabilities and obligations of the present City in existence, and those which may be incurred in the future. The City shall make suitable provisions for the liquidation and payment of these debts, liabilities, and obligations.

Section 2.6 Code of Ethics.

Within two years after the effective date of this charter, the City Commission shall adopt an ethics policy ordinance by which all persons in the municipal service, whether compensated or voluntary, shall abide. It shall encourage such persons to place the public interests above self interest.

CHAPTER III. PLAN OF GOVERNMENT

election and qualifications of its members, subject only to review by the court.

(b) No person shall be eligible for any elective or appointive City office who is in default to the City. Any person who is in such default shall automatically be removed from office unless the default is eliminated within 30 days after written notification by the City Commission, unless the person, in good faith, is contesting the liability for the default.

(c) Any person who has been elected or appointed to the City Commission shall not be eligible

for appointment to any office or employed by the City until one year has elapsed following the expiration of the term for which the person was elected or appointed.

If a vacancy occurs in any elective office, except by reason of recall, the City Commission, within 45 days after the vacancy occurs, shall appoint a qualified person to the vacant position to serve until a

successor is elected at the next general municipal election. If three or more vacancies in the position of City Commissioner exist simultaneously, the City Clerk shall call a special election as soon as is legally possible for the purpose of filling the vacancies. The remaining City Commissioner(s) shall have the authority to take whatever legal actions are necessary to provide for the special election and to appoint the number of Commission members required to constitute a quorum, who shall hold office only until the member's successor is elected and qualified.

vote of the remaining City Commissioners if the conflict involves a City Commissioner. No officer of the City shall personally, or as an agent, provide any bond, which is subject to approval by the City Commission. Any officer of the City who violates the provisions of this Section shall be guilty of misconduct in office. This section shall be applicable to the extent permitted by MCL 15.328, which regulates certain City contracts involving City officials and City employees.

The City Commission shall not issue unlimited tax bonds without the approval of a majority of the electors voting in an election on a proposal to issue such bonds.

Section 10.2 Special Assessment Bonds.

The City Commission, subject to provisions of State law, may borrow money in anticipation of collecting special assessments made for the purpose of defraying the cost of any public improvement, or issue bonds in anticipation of collecting any combination of special assessments. The special assessment bonds may be solely an obligation of the related special assessment district or districts or may be both an obligation of the special assessment district or districts and a general obligation of the City. All collections on each special assessment roll, or combination of rolls, shall be set apart in a separate fund for the payment of the principal and interest of the bonds issued in anticipation of the payment of such special assessments, and shall be used for no other purpose.

Section 10.3 Other Bonds.

The City may issue revenue, limited tax, or other types of bonds in the manner and for the purpose permitted by the Constitution and general laws of the State of Michigan.

Section 10.4 Preparation and Record of Bonds.

Bonds shall be prepared, issued, recorded, and paid according to state law.

Section 10.5 Unissued Bonds.

The City indebtedness shall be limited according to State Law.

CHAPTER XI. SPECIAL ASSESSMENTS

Section 11.1 City Commission Resolution.

The City Commission shall have authority, by resolution, to determine that the entire cost or any part of the cost of a public improvement is to be paid by special assessments on property specially benefited. The resolution shall state the estimated cost of the improvement, what proportion of the improvement's cost is to be paid by special assessment, and what part, if any, is to be paid by the City, and the number of installments in which assessments may be paid. The City Commission shall designate the district or the land and properties on which the special assessments are to be levied.

Section 11.2 Procedure Set by Ordinance.

The City Commission shall prescribe by ordinance the complete special assessment procedure concerning plans and specifications, estimating costs, notices of hearings, preparing the assessment roll, correcting errors, collecting special assessments and any other matters pertinent to the process of making improvements with special assessments.

CHAPTER XII. MUNICIPAL UTILITIES

Section 12.1 General Powers.

The City shall possess, and hereby reserves to itself, all the powers granted cities by the Michigan Constitution and State law to own, operate, and maintain public utilities for supplying water, light, heat, power, gas, sewage treatment, and disposing or recycling of waste, as well as facilities for housing its citizens. The City may sell and deliver these and other services to residents in the City, and it may sell and deliver water, light, heat, power, gas and other utility services outside the City to the extent permitted by State law.

Section 12.2 Rates.

The City Commission shall have the power to set and change the rates for City utility services.

Section 12.3 Collection of City Utility Charges.

The City Commission shall provide by ordinance for the collection of all charges for city-owned public utilities. Such ordinances may provide that any amount due the City for utilities remaining unpaid shall be charged against the real property on which the service was rendered unless such bills are covered by deposits, or unless the owner-landlord has filed with the City an affidavit or lease as provided by State law. The amount of such unpaid bills shall be spread on the next regular City tax roll after the date on which such charge became due and payable and shall become a lien of the same character and effect as the lien created by State and County taxes unless the owner-landlord has filed with the City an affidavit or lease as provided by State law. If a utility customer fails to pay the City any amounts due on utility bills, or post any deposit required by City ordinance, the City may discontinue the service. The City may initiate a suit to collect the amounts due.

Section 12.4 Accounts.

The City shall maintain separate accounts for each public utility the City owns and operates. The accounting procedures used shall comply with State law and Generally Accepted Accounting Principles. After each fiscal year, the City shall produce a report on the financial results and make the report available for public inspection in the office of the City Clerk.

Section 12.5 Disposal of Utility Plants and Property.

The City Commission is not authorized to sell, exchange, lease, or dispose of any unexpendable assets belonging to any City utility system unless three-fifths of those electors voting in an election thereon approve the proposition for such purpose. The provisions of this Section, however, shall not apply to the sale or exchange of equipment which is worn out or useless or which, with advantage to the service, could be replaced by new and improved machinery or equipment.

**CHAPTER XIII. CONTRACTS, FRANCHISES,
PERMITS**

Section 13.1 City May Perform Public Works.

The City Commission shall have the authority to do any public work or make any public improvement by employing the necessary labor and purchasing necessary supplies and materials. Alternatively, the City Commission may accomplish a public work or improvement by competitively bid contracts or by any legally constituted plan under which the labor is furnished by an agency of the United States government or the State of Michigan.

Section 13.2 Plans and Specifications.

The City Manager is responsible for preparing plans and specifications, estimating the costs, advertising for bids, supervising, and approving the work for any public work or public improvement except where this Charter provides differently.

Section 13.3 Contracts.

(a) Before the City enters into a written contract with a second party, the City Attorney shall draw or approve the instrument as to form. The officer charged with maintaining the City accounting system shall certify as to the sufficiency of funds. The letting and making of written contracts is vested in the City Commission. Copies of all written contracts shall be filed in the office of the City Clerk.

(b) Alterations or change orders to contracts in excess of seven thousand five hundred (\$7,500) dollars shall be made only by resolution of the City

Commission. No such order shall be effective until the price to be paid for the material and work under the altered contract has been agreed to and the order has been written and signed by the contractor and the City Manager, upon authority of the City Commission. The City Clerk shall attach to the original contract a copy of the signed agreement.

Section 13.4 Limitation on Leasing of City Property.

Any lease of City property made by the City Commission for a period longer than five years shall be subject to referendum in the manner provided in Section 7.10 of the Charter relating to calling a referendum on ordinances. A petition calling for a referendum on a lease under this provision must be taken within 30 days from the date of the lease. If a

proper petition has not been filed with the City Clerk within 30 days from the date of the lease, the lease shall be valid and binding. Before the City Commission grants a lease, the lessee shall file an unconditional acceptance of the terms of the lease with the City Clerk.

Section 13.5 Franchises.

A franchise which is not revocable at the will of the City Commission shall not be granted or become operative until it has been referred to the electors and approved by three-fifths of the electors voting in the election thereon. All irrevocable public utility franchises and all renewals, extensions and amendments thereof shall be granted only by ordinance. The City Commission shall not refer such an ordinance to the electorate until the application has been on file for 30 days or until a public hearing on it has been held. The ordinance shall not be submitted to an election to be held less than 30 days after the grantee named therein has filed with the City Clerk an unconditional acceptance of all the terms of the franchise and the expense of holding the election has been paid to the City Treasurer by the grantee. The City shall not grant an exclusive franchise or a franchise for a term longer than 30 years.

Section 13.6 Leases, Licenses and Franchises Remain in Effect.

Section 13.8 Conditions of Public Utility Franchise.

All public utility franchises granted after the adoption of this Charter, whether provided in the granting ordinance or not, shall be subject to the following rights of the City. However, this enumeration is not to be construed as being

exclusive or as impairing the right of the City Commission to insert conditions, requirements or limitations in such franchises. With regard to public utility franchises, the City retains the rights:

(a) To repeal the same for misuse, non-use, or failure to comply.

(b) To require proper and adequate extension of plant, service, and maintenance at the highest practicable standard of efficiency.

(c) To establish reasonable standards of service and quality of products and prevent unjust discrimination in service or rates.

(d) To require continuous and uninterrupted service to the public in accordance with the terms of the franchise.

(e) To impose such other regulations as may be determined by the City Commission to promote or protect the safety, welfare and accommodation of the public.

Section 13.9 Use of Street by Utility.

Every public utility franchise shall be subject to the right of the City to use, control, and regulate the use of its streets, alleys, bridges, and public places and the space above and beneath them. Every public utility shall pay such part of the cost of improving or maintaining streets, alleys, bridges and public places as shall arise from its use thereof, and shall protect and hold the City harmless from all damages arising from said use. The City may require every franchise to permit joint use of its property and appurtenances located in the streets, alleys and public places by the City and by other utilities insofar as such joint use may be reasonably practicable. The City Commission shall arbitrate the terms and conditions of joint use and the compensation to be paid. The City Commission's decision shall be final.
