AGREEMENT

THIS AGREEMENT, entered into this 1st of January, 2019, between the CITY OF BIG RAPIDS (hereinafter referred to as the "Employer" or "City"), and the POLICE OFFICERS LABOR COUNCIL (hereinafter referred to as "Union"), on behalf of the Department of Public Safety (Police Division) employees.

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends, the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

RECOGNITION

Section 1.1. Collective Bargaining Unit. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Police Officers Labor Council as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all employees of the Employer included in the bargaining unit described below:

All Department of Public Safety (Police Division) employees of the City of Big Rapids in the classification of Detective and Police Officer, BUT EXCLUDING the Director of Public Safety, the Deputy Director of Public Safety, Sergeant, Forensic Investigator/Technical Services Officer, Parking Enforcement Officers (Service Officers), and all office clerical employees.

Section 1.2. Aid To Other Unions. The Employer will not aid, promote, or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union's representation in the bargaining unit described in Section 1.1.

Section 1.3. Temporary Grant Employee. An employee temporarily assigned to special duty under a State, Federal or governmental Cooperative Grant or program shall be treated as a

member of the bargaining unit while assigned to the special duty. The employee shall be returned to their former position within the unit upon the discontinuance of such duty. Employees involuntarily assigned shall be subject to the terms and conditions of this Agreement. Employees voluntarily assigned shall be subject to the terms and conditions of the Grant, notwithstanding this Agreement to the contrary.

RIGHTS OF THE EMPLOYER

Section 2.1. Management Rights.

(a) The Employer retains and shall have the sole and exclusive right to manage and operate the City in all of its operations and activities. Among the rights of the Employer, included only by way of illustration and not by way of limitation, is the right to determine all matters pertaining to the services to be furnished and the methods, procedures, means, equipment and machines required to provide such services; to determine the nature and number of facilities and departments to be operated and their locations; to establish classifications of work and the number of personnel required; to direct and control operations; to maintain order and efficiency; to discontinue, combine or reorganize any part of or all of its operations as in the past; to study and use improved methods and equipment and outside assistance whether in or out of the City's facilities and in all respects to carry out the ordinary and customary functions of administration of the City. The Employer shall have all right to hire, promote, assign, transfer, suspend, discipline or discharge for just cause, lay off, and recall personnel; to establish work rules; to make judgments as to ability and skill; to establish and change work schedules; except where any of these rights are expressly abridged or limited by provision of this Agreement.

(b) The Union hereby agrees that the Employer retains all rights established by law except where expressly limited by this Agreement. These reserved rights shall not be subject to the grievance and arbitration procedures established herein.

Section 2.2. Rules. The City shall have the right to make such reasonable rules and regulations not in conflict with this Agreement as it may, from time to time, deem best for the purpose of maintaining order, safety, and/or effective operations and put such into effect after advance notice to the Union and the employees. Any complaint relative to the reasonableness and application of any rule may be considered as a grievance and subject to the grievance procedure contained in this Agreement.

UNION SECURITY AND CHECKOFF

Section 3.1. Requirements of Union Membership. Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or discontinue their membership in the Union as they see fit. Neither the Employer nor the Union shall exert any pressure upon any employee with regard to such matters. The Union further agrees not to solicit Union membership and not to conduct activities, except as otherwise provided for by the terms in this Agreement during working hours of the employees or in any manner that may interfere with employees engaged in work.

Section 3.2. Union Service Fee. All employees included in the collective bargaining unit set forth in Section 1.1 shall, as a condition of employment, pay to the Union a service fee. This obligation to pay a service fee to the Union shall commence upon completion of an employee's first thirty (30) days of employment. For purposes of this Agreement, the term "service fee" shall be defined to mean an amount equivalent to the periodic monthly dues uniformly required of Union members, less any amounts not able to be charged to non-members under applicable law. The Union shall advise the Employer in writing of the amount of its monthly dues and service fees and any changes to those amounts. In addition, the Union shall advise the Employer in writing of the procedures under which the service fee is calculated and the process in which service fee payers may challenge that calculation. An employee's obligation to pay a service fee to the Union may be satisfied by direct payment to the Union by the employee of the service fee, or by payment of the service fee in accordance with the checkoff provisions of this section. In addition, any employee who is a member of the Union shall be deemed to have satisfied their service fee payment obligation for any month in which they were in good standing with the Union.

Section 3.3. Failure to Pay Service Fee. In the event that a member of the bargaining unit who is not a member of the Union fails to pay a required service fee directly to the Union, or to authorize payment of the service fee through payroll deduction, the Union may request the imposition of a mandatory deduction of the service fee pursuant to MCLA 408.477; MSA 17.277(7). In order to invoke such a mandatory deduction, the Union shall notify the employee of non-compliance by certified mail, return receipt requested, a copy of which shall be provided to the Employer. The notice shall detail the facts of the non-compliance, provide the employee with ten (10) working days for compliance, and inform the employee that a request for a wage deduction may be filed with the Employer in the event compliance is not affected. If the employee fails to remit the service fee or authorize a deduction for the service fee, the Union may file a written request to the Employer to make the deduction, a copy of which shall be provided to the employee. Upon receipt of the request for an involuntary deduction, the Employer shall provide the employee with an opportunity for a due process hearing within the next ten (10) working days limited to the question of whether or not the employee has remitted the service fee to the Union or authorized payroll deduction for the service fee; provided, however, that should any employee be contesting their obligation to pay the service fee or the proper amount of the service fee in any forum, the hearing shall not be held until thirty (30) working days after

the decision of that forum becomes final. The Employer agrees to impose a mandatory deduction for the service fee if it determines after the hearing that the employee has not paid a required service fee in an amount lawfully established by the Union or if the employee does not request a hearing within the ten (10) working day request period. All dues and fees so deducted shall be promptly remitted to the Union at an address authorized for this purpose within twenty (20) days following the deduction.

Section 3.4. Checkoff.

(a) During the term of this agreement, the Employer agrees to deduct service fees, or if applicable, Union membership dues from each employee covered by this Agreement who voluntarily executes and files with the Employer a proper checkoff authorization in a form which shall be supplied by the Union. Any written checkoff authorization which lacks the employee's signature will be returned to the Union.

(b) All checkoff authorizations filed with the Employer shall become effective the first (1st) payroll period of the following month and each succeeding month during the validity of the checkoff authorization, provided that the employee has sufficient net earnings to cover the amounts to be deducted. These deductions will cover the employee's service fee obligation, or if applicable Union membership dues, owed for the previous month. If an employee's net earnings are insufficient to cover the sums to be deducted, the deductions shall be made from the next paycheck in which there are sufficient earnings. All dues and service fees so deducted shall be remitted to the Union at an address authorized for this purpose.

(c) In cases where a deduction is made which duplicates a payment already made to the Union by an employee, or where a deduction is not in conformity with the provisions of the Union constitution and bylaws, refunds to the employee will be made by the Union.

(d) If a dispute arises as to whether or not an employee has a valid checkoff authorization in effect due to questions regarding the execution or revocation of the checkoff authorization or due to operation of law, no further deductions shall be made until the matter is resolved.

(e) The Employer's sole obligation under this Section is limited to the deduction of service fees, and, where applicable, Union membership dues. If the Employer fails to deduct such amounts as required by this Section, its failure to do so shall not result in any financial liability whatsoever.

Section 3.5. Indemnification. The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, or other forms of liability including but not limited to wages, damages, awards, fines, court costs, and attorney's fees that arise out of or by reason of action taken by the Employer pursuant to Sections 3.1, 3.2, 3.3 and/or 3.4.

UNION REPRESENTATION

Section 4.1. Union Stewards.

(a) The Public Safety (Police Division) Department employees covered by this Agreement will be represented by the Union. The Steward and alternate steward shall be present at all negotiations.

(b) The Union shall keep the Employer or City advised, in writing, of the members of the Bargaining Committee, and only such duly certified employees shall be recognized by the City as members of the Employees' Committees.

(c) The Union shall have the right to have one (1) Steward and one (1) alternate steward. For the purpose of layoff and recall only, stewards shall be considered to have the greatest seniority of all employees in their respective departments, provided that such employee must have the physical fitness and ability to perform the work available.

SPECIAL CONFERENCES

Section 5.1. Special Conferences. Special conferences for important matters, including safety, and the treatment of employees, will be arranged between the Union and the Employer or its designated representative at mutually convenient times and places when there are important matters to discuss. Such meeting shall be between representatives of the Employer and no more than two (2) employee representatives of the Union. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conference shall be confined to those included in the agenda. This meeting may be attended by non-employee representatives of the City or the Union. Up to two (2) employee representatives will be compensated for scheduled work hours lost while in attendance at these joint meetings. Minutes will be kept of these meetings. The disposition of the problem will be reduced to writing if either side so chooses.

GRIEVANCE PROCEDURE

Section 6.1. Definition of Grievance. A grievance shall be defined as a complaint during the term of this Agreement concerning the application or the interpretation of this Agreement as written. Any grievance filed should refer to the specific provision or provisions of this Agreement alleged to have been violated and it shall set forth the facts pertaining to such alleged violations.

Section 6.2. Grievance Procedure.

(a) An employee, with or without their steward, shall file verbally the grievance within five (5) days after it might reasonably have become known to exist. The supervisor shall have two (2) days to discuss the grievance and give a response. Any settlement shall be reduced to writing, signed by the grievant and the supervisor with a copy given to the Steward.

(b) Written Procedure.

Step 1: If the grievance is not settled through the verbal procedure above, it may be reduced to writing, shall state the date it was denied by the supervisor in the verbal procedure, shall be signed by the employee and his Steward, and presented to the Director of Public Safety, provided that such must be done no later than the end of the fifth (5th) working day following denial of the grievance in the verbal procedure, failing which, it will be deemed to have been withdrawn permanently. The Director of Public Safety shall endorse the Union's copy of the grievance to show the date of receipt.

The Director of Public Safety shall render a written disposition of any grievance so filed, no later than the end of the fifth (5th) working day following the day of receipt of the grievance, and shall give a copy of the disposition to the employee's Steward or, in the Steward's absence, to the alternate Steward, who shall endorse the Director of Public Safety's copy to indicate receipt by the Union of such disposition and the date of such receipt.

Step 2: If the grievance disposition given in Step 1 is not considered satisfactory, the grievance may be filed in Step 2 by the Steward who shall submit it to the Employer or City Manager no later than the end of the fifth (5th) working day following the date of the disposition of the grievance in Step 1. Failure to so advance a grievance to Step 2 shall result in its being deemed permanently settled on the basis of the disposition given it by the supervisor in Step 1. The Employer or City Manager shall endorse the Union's copy of the grievance to show the date of receipt.

After investigation of the grievance and discussion of it with the Union Steward if the Steward so requests, the Employer or City Manager shall give his written disposition of the grievance to the Steward who shall endorse the Employer's or City Manager's copy to indicate receipt of such disposition and the date of such receipt. This Step shall be completed within five (5) working days of receipt of the grievance by the Employer or City Manager.

Step 3: If the grievance is not settled in Step 2, the Union, no later than the end of the fifth (5th) working day following completion of Step 2, may make written request to the Employer or City Manager for a further meeting. If the Union does not so request such

further meeting, the grievance shall be considered permanently settled on the basis of the disposition of it given by the Employer or City Manager in Step 2.

If the Union requests such further meeting, it shall be held as promptly as practicable, but not later than on the tenth (10th) working day following the date of the Union's request for it. Either party may have present such of its attorneys, consultants or persons in its higher echelons, as it shall select.

If such further meeting be held, the Employer or City Manager shall give written disposition of the grievance to the Steward no later than the end of the fifth (5th) working day following the date of such meeting.

Section 6.3. Arbitration. If the grievance disposition given in Step 3 is not considered satisfactory, the Union, during the term of this Agreement, may elect to take the grievance to arbitration. If it does not do so, in the manner herein provided, the grievance shall be deemed to have been settled on the basis of the disposition given to it in Step 3, and its subject matter shall not be resubmitted to the grievance procedure. If the Union wishes to appeal denial of a grievance in Step 3, a representative of the Police Officers Labor Council shall, within thirty (30) calendar days after the date of the Employer's disposition in Step 3, notify the City in writing that it elects to take the matter to arbitration.

Section 6.4. Selection of Arbitrator. In the event the City and the Union are unable to agree on an impartial arbitrator, the arbitrator will be selected from a list of arbitrators submitted by the Federal Mediation and Conciliation Service. A list of five (5) arbitrators will be requested from the Federal Mediation and Conciliation Service, with each party having the right to strike two (2) names. The arbitrator remaining on the list shall serve as the independent arbitrator.

Section 6.5. Arbitrator's Powers. The Employer, the Union, and the independent arbitrator shall be subject to the following, which shall control if there be conflict with a rule of the Federal Mediation and Conciliation Service:

(1) The Arbitrator shall be empowered to rule only on a grievance which involves an interpretation or application of this Agreement.

(2) The Arbitrator shall not add to, subtract from, ignore or change any of the provisions of this Agreement.

(3) It shall not be within the jurisdiction of the Arbitrator to change an existing wage rate, to rule on disciplinary matters not involving time off with loss of pay, to establish a new wage rate, to rule on the Employer's rights to manage and direct its work force unless there is contained in this Agreement a specific and explicit limitation of those rights, or to infer from any provisions of this Agreement any limitation of those rights.

(4) The Service's Administrative fee and other charges and the Arbitrator's charges for services and expenses shall be shared equally by the Employer and the Union.

Section 6.6. Arbitrator's Decision. The Arbitrator's decision, on an arbitrable matter within his jurisdiction, shall be final and binding on the employees, Union, and City, provided however that either party retains its legal rights if the arbitrator exceeded the jurisdiction granted by this Agreement or acted unlawfully.

Section 6.7. Grievance Settlement. It is understood and agreed that any grievance settlement arrived at hereunder, between the City and the Union, is binding upon both parties and cannot be changed by any individual employee.

Section 6.8. Time Limits. If the City representative in Step 1 or in Step 2 fails to provide disposition of a grievance within any time limit set forth herein, the grievance shall be automatically advanced to the next step, Step 2 or Step 3, respectively. It is agreed that any grievance must be brought up within five (5) working days after it might, reasonably, have become known to exist. In any event, no grievance claim shall be valid for a period prior to the date such claim was first filed in writing in the Grievance Procedure above provided. Back pay shall be limited to the amount of the wages the employee would have earned, within the foregoing limitation, less any amount received from employment, self-employment, or unemployment compensation. Interest shall not be awarded on back pay claims. Grievance procedure time limits may be mutually extended in writing. For purposes of the Grievance and Arbitration Procedure, working days shall mean Monday through Friday, excluding holidays.

Section 6.9. Release Time for Grievances. For working time necessarily spent in investigating a grievance which an employee has already submitted to the Grievance Procedure above provided, or in discussing such a grievance with a representative (or representatives) of the City, Stewards shall be paid, at their appropriate rate, for those hours during which they would otherwise have been at work for the City, it being agreed that such investigation or discussion shall be performed with a minimum of interference with work assignments and loss of working time. In no event shall any such Union representative leave their work for such purpose before first notifying their supervisor and turning their work over to a replacement who shall be provided by the supervisor as promptly as is practicable under the circumstances.

Section 6.10. Veterans' Preference Claims. It is the intent of the parties to this Agreement that employees included within the bargaining unit covered by this Agreement should not be granted more than one procedure to challenge an employment decision. In order to carry out that intent, any employee who may come within the provisions of any legislative enactment entitling a military veteran to a preference in employment or which establishes a procedure whereby the military veteran may challenge the Employer's determinations regarding the veteran's employment status will be required, not later than Step 3 of the

Grievance Procedure, to elect in writing either the Grievance Procedure or their statutory remedy as their single means of challenging the Employer's determination. If the employee elects to pursue their statutory remedy or fails to make an election, any grievance concerning the Employer's employment determination shall be considered withdrawn by the Union and, further, shall not thereafter be a subject of any Arbitration proceeding.

DISCHARGE AND SUSPENSION

Section 7.1. Discipline. The Employer and the Union mutually agree in the concept of progressive discipline and agree that discipline for non-probationary employees shall be for just cause. Employees shall be provided with written notice of the charges against them and shall be provided with an opportunity to explain their actions prior to disciplinary action being imposed. For informational purposes only, the Employer agrees promptly upon the discipline, discharge or suspension of an employee to notify the Steward in the department of the discipline, discharge or suspension.

Section 7.2. Administrative Procedure. The following procedure shall apply:

(a) An employee who is called into an interview with a representative of the Employer, and who can reasonably anticipate disciplinary action stemming from the interview is entitled, upon request, to have a union representative present at the interview. If an employee requests the presence of a Union Representative at a disciplinary interview, the interview will be postponed for up to twenty-four (24) hours to allow a Union Representative to be present.

(b) If the matter under investigation may result in criminal charges any employee who exercises their right to refuse to answer questions that may tend to incriminate them, may be ordered to answer questions directly relating to the performance of their official duties. In accordance with Garrity, any self-incriminating admissions made after an order to answer questions during the investigation and interview shall only be used in subsequent administrative discipline proceedings and shall not be used against the employee in any criminal proceedings. Failure to comply with an order to answer such questions after receiving Garrity protection assurances will subject the employee to further discipline up to and including discharge.

(c) The discharged or suspended employee will be allowed to discuss their discharge or suspension with the Steward of the department and the Employer will make available an area where they may do so before they are required to leave the property of the Employer.

Section 7.3. Appeal of Discharge or Suspension. Should the discharged or suspended employee or the Steward consider the discharge or suspension to be improper, a grievance may be filed in writing at Step 2 of the grievance procedure within five (5) regularly scheduled

working days of the discharge or suspension. In the event no grievance is filed within that period, the matter shall be deemed dropped by the employee and the Union.

Section 7.4. Use of Past Record. The Employer will not base disciplinary action, in whole or in part, on any rule infractions occurring more than three (3) years prior to the date of discipline, unless specifically related to the current infraction. It is understood, however, that a significantly serious falsification of an Employment Application may be grounds for dismissal at the time it is discovered or reported by the Employer or City.

Section 7.5. Forfeitures. After the Employer has determined that an employee is to receive discipline and a disciplinary suspension has been involved, the Employer and employee may mutually agree, in lieu of the disciplinary suspension, to substitute a forfeiture of the employee's accumulated non-work time benefit to the extent that such forfeiture is equivalent to the length of the disciplinary suspension imposed.

SENIORITY

Section 8.1. Seniority Definition. Seniority is defined as length of continuous service with the City since the employee's most recent date of hire. Classification seniority shall be defined as the length of an employee's continuous service within a job classification covered by this Agreement. Seniority and classification seniority shall commence after the employee completes the probationary period, retroactive to their first date of hire or promotion. The application of seniority and classification seniority shall be limited to the preferences and benefits specifically set forth in this Agreement.

Section 8.2. Seniority Lists. The City shall keep a current seniority list showing each employee's name, classification, and seniority and classification seniority dates. Promptly following the effective date of this Agreement, but no later than thirty (30) days thereafter, the City shall post a copy of the seniority list. A copy of the seniority list will be provided to the Union on or about January 1 of each year and at such times as changes are made to the seniority list. It shall be the responsibility of each employee to check each such later list and to notify the City of any alleged error therein. Disputes as to the correctness of seniority shown on the list, so presented, shall be subject to the grievance procedure herein, if not amicably resolved. In effecting personnel changes, the City shall be entitled to rely on such posted lists. If an employee shall so notify the City of the existence of error in the current list at the time of, or following, such a personnel change, and it is agreed that error exists, the City shall incur no liability for any erroneous personnel change until the end of the fifth (5th) working day following the day on which the employee so notifies the City of such error.

Section 8.3. Probationary Employees. All new employees shall be considered to be on probation and shall have no seniority or classification seniority for twelve (12) calendar months of continuous employment or six (6) calendar months after successful completion

of police school, whichever is longer, following the first day of work for the Department. If an employee who is laid off during their probationary period is returned to work by the Department and works at least one (1) calendar month, they shall be credited with such period of work toward completion of their probationary period. If they so complete a total of six (6) months of work within a one (1) year period, they shall be deemed to have completed their probationary period.

Probationary employees may be discharged or terminated in the City's sole discretion and there shall be no recourse to the grievance and arbitration procedure.

Section 8.4. Seniority Status. Upon an employee's completion of the probationary period, they shall acquire seniority and classification seniority, and they shall be placed on the seniority list with a date to coincide with their date of last hire. As between any two (2) or more employees who have the same seniority or classification seniority date, seniority and classification seniority shall be determined by the highest written test score on the entrance exam.

Section 8.5. Seniority Employees Transferred Outside the Bargaining Unit. If an employee is transferred to a position with the City which is not included in the unit covered hereby and they are thereafter transferred again to a position within such unit by the City, they shall be deemed to have accumulated seniority and classification seniority while working in the position to which they were transferred. Upon returning, the employee shall be assigned to the rank they originally held prior to the transfer, seniority and classification seniority permitting. An employee who fills the position vacated by the transferred employee shall return to their former rank upon the return of the transferred employee, seniority and classification seniority permitting. Employees transferred back into the bargaining unit under the above circumstances shall retain all seniority and classification seniority rights accrued for the purpose of any benefits provided in this Agreement. However, the Employer reserves the right to determine all conditions of employment of the non-bargaining unit position.

Section 8.6. Temporary Employees. Temporary employees, commonly called summer help, will not be covered by, nor subject to, any provision of this entire Agreement. The City agrees not to abuse the right to hire temporary employees.

Section 8.7. New Job Probationary Period. Employees who are promoted under Section 9.2 will be required to serve a new job probationary period of six (6) months in the new position. If the employee fails to meet all the requirements of the position to the satisfaction of the Employer, the employee will be transferred back to their prior classification. The employee will also be returned to their former classification during this period at the employee's request.

Section 8.8. Seniority while on Leave of Absence. The seniority and classification seniority of employees on Employer approved leaves of absence shall continue to accrue during the period of their leave of absence.

APPLICATION OF SENIORITY

Section 9.1. Temporary Transfers. If, in the opinion of the City, there is a temporary surplus or deficiency of employees in any job covered hereby, the City shall have the right temporarily to assign for a period up to fifteen (15) consecutive working days, an employee to another job for which it deems they are qualified, with no change in rate or classification. Any employee assigned by the Director of Public Safety to perform the duties of a higher ranking officer for a period in excess of fifteen (15) consecutive working days shall be paid at the rate of pay applicable to the position involved. The increased pay rate shall commence on the sixteenth (16th) consecutive day in which the employee has held the assignment, and shall continue until the employee is reassigned to their normal (or another) lower ranking position. The Director of Public Safety shall make assignments to temporary vacancies in higher positions based on all appropriate factors, one of which shall be seniority. When, in the opinion of the Director of Public Safety, the vacancy is no longer temporary but permanent, the rules and regulations currently used by the Public Safety (Police Division) Department to fill the permanent vacancy shall be followed.

Section 9.2. Promotions. Promotions within the Public Safety (Police Division) Department bargaining unit shall be administered by the Human Resource Department and based on the rating schedule (subsections (a) through (e)) below. All points accumulated in subsections (a) through (e) during an employment or promotion review will be received and maintained in the Human Resource Department. Total scores on each section will be revealed only at the end of the testing/evaluation process. The performance rating under subsection (e) shall be completed as early as possible in the evaluation process.

(a) Thirty-five (35) points for a written examination, set up and administered by the City. The candidate must pass the examination by a score of at least 60% to continue to be considered. If the candidate does not achieve a "continuation" score, the component scores of subsections (b) through (e) will not be revealed.

(b) Thirty (30) points for an oral examination. This examination would be administered by three non-employees selected by the City.

(c) In lieu of (a) and (b) above an assessment center worth 65 points may be used in place of the written and oral examinations to rate the candidates. If the assessment center is used, the assessment center procedure shall quantify its result by ranking all candidates. A passing score on the assessment center must be achieved to continue in the promotional process.

(d) Fifteen (15) points for experience. One (1) point for each year up to ten (10) years and one-half (1/2) point for each year after ten (10) and up to twenty (20) years total.

(e) Performance rating: Ten (10) points of rating to be done by the Director of Public Safety of Big Rapids and ten (10) points of rating to be done by the immediate supervisor. Total performance rating of twenty (20) points.

A Big Rapids Police Officer must have at least three (3) years of experience in a law enforcement position before consideration for promotion; however, that there must be at least three (3) successful candidates for each promotion after taking the written examination. If there are not three (3) successful candidates, then additional candidates will be added until there are three successful candidates in total. If there are subsequently at least three candidates who do not pass, the Director has the sole discretion (in consultation with the City Manager), to go forward with the passing number of candidates, add any viable testing option to give three candidates, or leave the vacancy open.

If the assessment center is used and at least three candidates do not pass, the Director has the sole discretion (in consultation with the City Manager) to go forward with the passing number of candidates, add any viable testing option to give three candidates, or leave the vacancy open.

The performance rating in subsection (e) will be amended in the case where new candidates enter the promotional process.

Section 9.2:5 Selection

The Director may select for promotion any one of the top three candidates.

Total points = 100

The list of candidates and their final score shall be available for review in the Human Resources office.

Section 9.3. Layoff Procedure. Whenever it becomes necessary to lay off any employees, the City will notify the employees seven (7) calendar days in advance of the layoff. The following procedure shall be used:

(a) The employee in the classification with the least seniority will be laid off first and so on, within the classification, providing the remaining employees in the classification have the skill and ability to qualify to do the required work.

Employees laid off from their classification may exercise seniority to displace a junior employee in any lower job classification for which the laid-off employee has the skill and ability to do the work satisfactorily with normal supervision.

An employee may exercise seniority to bump into a different classification only once during any one layoff. If that employee is unable to perform the job within three (3) days under the preceding paragraph, said employee shall not have any further bumping rights but shall be laid off.

(b) Employees laid off shall continue on layoff status until recalled according to seniority.

(c) An employee on a leave of absence shall be subject to layoff in accordance with the provisions of this Agreement and shall be notified by the City by certified mail, addressed to the last known address of the employee.

Section 9.4. Recall. When the work force is increased after a layoff, the following procedure will be followed:

If an increase in a job classification is necessary, recall of laid-off employees will be made in order of seniority, the most senior employee being recalled first, whether such employee is on layoff status or has been transferred to another lower-rated job classification in lieu of layoff.

Section 9.5. Procedure to Accomplish Recall. When employees laid off are to be recalled, the following method will be used by the City:

(a) The employee or their spouse will be called by telephone, contacted by e-mail (confirmed read receipt) or notified in person of their recall and the date on which they are to return to work.

(b) If an employee cannot be contacted personally under subparagraph (a) above, the City will send a certified letter notifying the employee of their recall to work and the date of their return. This will be done even if the employee's spouse is contacted.

(c) Any employee notified in accordance with subparagraphs (a) or (b) above, who fails to report for work within the time limits set forth in Section 10.1(g) of the contract shall be considered to have quit.

If the date given in the recall notice is a date beyond the end of the three (3) working-day period specified above, the employee shall have until the end of the shift on the day specified to report before being considered as a quit.

It is the employee's responsibility to maintain their correct address and telephone number on file with the Employer or City, and the City shall not assume any responsibility in the event notices are not received because the last address or telephone number is not correct; provided, in the event of a layoff, a layoff slip will be issued and will contain the name, address and telephone number of the employee. A copy of this slip will be signed by the employee and retained by the City.

LOSS OF SENIORITY

Section 10.1. General Rules. An employee covered by this Agreement shall cease to have seniority and shall have their name removed from the seniority list, in the event:

- (a) The employee is discharged for just cause and the discharge is not reversed; or
- (b) The employee retires; or
- (c) The employee quits; or
- (d) The employee is laid off for a period of one (1) year or the length of seniority, whichever is greater, or
- (e) The employee accepts employment elsewhere while on a leave of absence (other than a Union business leave of absence), or is self-employed for the purpose of making a profit, during a leave of absence; or
- (f) The employee fails to report for work within three (3) working days after expiration of a leave of absence; or
- (g) The employee fails to report for work within three (3) working days after being notified to do so in person, by telephone, or by email or by certified or registered mail sent to their address of record with the City, or provided that, in the case of notice given in person or by telephone, the City shall promptly thereafter give to the Union Steward a memorandum, in writing, that it has given such notice; or
- (h) The employee is absent from work, without permission, for three (3) consecutive scheduled workdays.

Section 10.2. Exceptions to Above General Rules. An employee whose name is removed from the seniority list for any of the reasons listed (b) through (h) above, shall be deemed to have quit, subject only to the following exceptions:

If an employee falls within situation (f), (g) or (h) and their failure to report or their absence from work is on account of illness or injury or other serious reason beyond their control, the employee may retain seniority if they have notified the City of such reason by certified mail, or by email, before the expiration of the three (3) day period in the case of (f) or (g), or before the end of their scheduled shift on the third (3rd) working day in the case of (h).

It is recognized that the City may require substantiation of the reason given by an employee under which they claim exception as above. If the reason is not substantiated upon such request, to the satisfaction of the City, and the City determines that the employee's loss of seniority shall stand, the employee may appeal the determination of the City to the grievance procedure herein provided.

WAGE RATES

Section 11.1. Wages and Classifications. Job classifications and rates of pay for work presently performed by covered employees is set forth in Appendix "A," attached hereto and made a part hereof.

An employee's regular straight time rate of pay shall be determined by dividing their annual salary rate by 2,080.

Section 11.2 Out of Class Pay (Acting Supervisor Pay).

The City agrees to add a \$1.50 per hour to the pay of the senior officer on duty when the Sergeant on duty is absent for more than (three) 3 hours in a 12 hour shift. The officer so assigned shall have all the duties and responsibilities normally attributed to the Sergeant, including the reporting, filing, communication (to the next shift), and other responsibilities and obligations of this leadership position. The member will be expected to complete the day to day duties of the Sergeant as assigned by the Director, Dep. Director, or Shift Sergeant. Acting pay in this section shall be part of an employee's regular rate of pay for that day for purposes of computation of overtime.

Section 11.3 Field Training Officer Officers working in the capacity of a Field Training Officer (FTO) shall receive a benefit of one hour paid at the rate of one and one half (1.5) times their regular rate of pay for each day when a trainee is assigned. The hour paid will not be considered a part of the FTO's scheduled work day and is considered an extra, unworked and paid benefit for the position and duty of an FTO.

HOURS OF WORK

Section 12.1. Work Period. The work period shall be a period of fourteen (14) consecutive days. The normal workday for Police shall be eight (8), ten (10), or twelve (12) hours. The normal workday for the Detective and Neighborhood Patrol Officers and other special assignments varies depending upon the workload, but is normally scheduled to be eight (8) hours per workday. The normal tours of duty for full-time employees consists of eighty (80) hours in a work period. Nothing contained herein shall be construed to constitute a guarantee of any particular number of hours of work or pay per day or per pay period, and the Employer reserves the right to reduce the normal tours of duty in a work period in appropriate circumstances.

Section 12.2. Overtime Pay. Time and one-half (1 ½) the employee's regular straight time rate of pay shall be paid for all hours actually worked in excess of eighty-six (86) in a 14-day work period. In addition, time and one half (1 ½) the employee's regular straight-time rate of pay shall be paid for all hours worked in excess of an employee's normal workday or on a scheduled day off. Therefore, for practical purposes the straight time pay greater than 80 hours is implemented only for training time under Section 12.10.

Section 12.3. Shift Scheduling. The City reserves the right to establish shift starting and quitting times.

(a) Shift schedules shall be posted thirty (30) days in advance. Shift changes shall not be made capriciously or unreasonably.

(b) An employee may trade shifts or days off if permission is given by the immediate supervisor provided that such trading does not cause premium pay to be incurred.

(c) Work hours and leave days may be changed by the Director of Public Safety in order to accommodate training, with seven (7) days' notice. Changed pass days shall be reinstated in the same pay period or within the first week of the following pay period. In the event that an employee cannot be given a changed pass day, the employee will be paid at the overtime rate for the time in their normal work day or offered an equal amount of compensatory time.

(i) The Union acknowledges that it is within the sole discretion of the Employer to determine the number of employees assigned to a shift or schedule.

(d) The calendar year shall be divided into three (3) shift rotation periods of four (4) months each. They shall begin the first pay period closest to the first day in the months of January, May and September.

(e) Employees within each classification shall select their shift by classification seniority. The employee with the greatest classification seniority shall select first and the least senior employee will select last, except as provided below. Probationary employees shall not select shifts and may be scheduled by the Director.

(f) A list of each shift and unit shall be posted normally 45 days prior to each rotation date with a list of the employees and their classification seniority date and the date their shift selection is due.

(g) An employee may spend only two consecutive rotation periods on the same shift. A mandatory rotation to another shift shall occur after two consecutive rotation periods on the same shift. However, an employee with at least five (5) years of service may stay on the same shift (days or nights on the 12-hours workday) for up to 12 consecutive months before being required to rotate to another shift for a full shift rotation. If, in order to accommodate mandatory shift rotations, it is not possible to allow all senior employees to stay on their preferred shift, forced rotations will start with the least senior employee having more than 5 years of service. A more senior employee can volunteer to rotate if he/she wishes.

(h) Employee facing a mandatory rotation shall be reserved a shift (day or night) according to their needed rotation. The employee facing the mandatory rotation shall not remove senior employee from their preferred shift. However, the employee facing the mandatory rotation can force the least senior officer to rotate to a different shift to accommodate the mandatory shift rotation. The remaining shift positions shall be filled as outlined in this section.

(i) In the event that an employee does not complete a rotation period on a shift due to manpower demands, the employee shall be credited with having spent a full rotation period on each shift worked in that rotation period.

(j) In the event that a junior employee is required to work three (3) consecutive rotation periods on the same shift, the employee shall be given the opportunity to select first in the shift selection process following the third rotation period. The preceding three (3) rotation periods shall not count against the prohibition of working the same shift two consecutive rotation periods.

Section 12.4. Overtime Assignment. Nothing in this Contract shall guarantee any number of hours of work. Employees will be expected to work reasonable overtime upon request by the City in accordance with the following:

Scheduled Overtime. Scheduled overtime shall mean all work to be performed outside of a department's regularly scheduled hours, the necessity of which is known to the City at least twenty-four (24) hours in advance. The City shall offer scheduled overtime under the following conditions:

(1) When extra work outside the regular schedule is available, the City will offer the extra work to volunteers from all classifications in accordance with their seniority. In the event that there are no volunteers for any scheduled overtime, the City may assign the scheduled overtime to the least senior employees.

(2) When special events work is available, the City will offer the extra work to volunteers from all classifications in accordance with their seniority. Any special event overtime that is anticipated to be two (2) hours or more in duration and requires three (3) or more personnel to be assigned shall include at least one sergeant who shall be responsible for supervising the event. In the event that there are no volunteers for any scheduled overtime, the City may assign the scheduled overtime to the least senior available employees in the classification required. For purposes of this subsection, an employee is not available when they are on vacation or off on a previously scheduled compensatory day.

(3) When special detail work paid by a third party is available, the City will offer the Extra work to volunteers from all classifications in accordance with their seniority.

Non-Scheduled Overtime. Non-scheduled overtime shall mean work to be performed within a department's regularly scheduled hours, the necessity of which is known to the City less than twenty-four (24) hours in advance. Work that is anticipated to be able to be performed in four (4) hours or less will normally be assigned to officers on duty by extending their shifts. In the event that the work is anticipated to last more than four (4) hours, the City will offer the work to volunteers in the applicable classification by seniority, provided that no employee may be scheduled to work more than sixteen (16) straight hours. If there are no volunteers for the entire overtime assignment, the City may offer the work to part-time employees and/or parts of the overtime assignment to volunteers. In the event that there are no volunteers for the unscheduled overtime, the City may assign the unscheduled overtime to the least senior employees in the applicable classification.

Prisoner Transports. The overtime assignment of personnel for prisoner transports shall not change from the current practice of filling the first overtime position on a two (2) person transport with a Sergeant if available and the second position with a patrol officer. When only one position is needed on a call-back basis for a transport, seniority will be followed. This section does not require the use of overtime for prisoner transports or in any way limit management from assigning duty personnel to transports.

Section 12.5. Call Back. Employees who are called into work at times other than their regularly scheduled shift shall be paid time and one-half (1-1/2) times their regular rate of pay for two (2) hours or for the time actually worked, whichever is greater. The hourly pay guarantee of this Section does not apply in instances where the employee is required to perform duties past the scheduled termination of their regularly scheduled shift or in instances where the employee is called to work prior to the start of their regularly scheduled shift and continues to work through the start of their regularly scheduled shift.

Section 12.6. Pyramiding Overtime Premiums. Overtime premiums shall not be pyramided for any hours of work.

Section 12.7. Compensatory Time. Employees may elect to receive compensatory time in lieu of pay for overtime hours worked. The scheduling of compensatory time off shall be arranged in advance by the employee with their Department Head.

Compensatory time shall be scheduled at a time mutually agreeable to the employee and the Employer. A request for use of compensatory time may be denied if it would cause the number of employees scheduled to be on duty on the particular shift to fall below normal staffing patterns or if the time off would be required to be filled by an employee at other than straight time rates.

Compensatory time off may be accumulated to a maximum of one hundred (100) hours. All unused compensatory time shall be paid on or before the Friday of the third full week of July at the rate of pay in effect as of June 30 of that year; provided, however, that upon request up to one hundred (100) hours may be carried over to the next fiscal year. Accumulated Compensatory time as of June 30 of less than ten (10) hours shall be automatically carried over.

Compensatory time may be cashed in on a regular scheduled payroll date. Hours less than eighty (80) will be added to the hours worked within the bi-weekly pay period and reported on the payroll check and summary. Hours of 80 or more, will be separately calculated (to avoid excessive income tax withholding) and added to the bi-weekly pay period and reported on the payroll check and summary. In either case, the hours will only be processed during a regular paycheck cycle on the regular payroll check date. There will be a limit of one additional process per paycheck cycle.

Section 12.8. Court Time. An employee who is subpoenaed or required to appear in court for City employment-related issues on the employee's day off, or non-duty hours, shall be paid at an overtime rate of time and one-half his straight time rate of pay for all hours spent in court; provided, however, that a minimum of two (2) hours show-up time shall be paid. Witness fees received by the employee shall be endorsed to and forwarded to the City. When the employee is required to appear but is not subpoenaed, the employee shall obtain a written statement from the requesting authority that he was required to appear.

Court appearances for non-employment related matters, scheduled during duty hours, shall be taken at the employee's own expense. The employee may use accumulated vacation, compensatory or holiday pay for such time or select an unpaid leave of absence.

Section 12.9 Light Duty. The City of Big Rapids recognizes the value of its employees and their contribution to everyday operations of the City. On the occasion that an employee is injured or ill and not able to perform the functions of their current position, the City offers light duty. Light duty would normally be a daytime Monday – Friday eight (8) hour work schedule (although this may be modified with the cooperation of the City and employee). This is to accommodate the needs of the employee and the City. The Employee is able to come back to work and not deplete their leave banks, and the City has a qualified employee to perform tasks that would otherwise detract from the day to day business of other employees. Light duty would be provided under the following terms and conditions.

- A. The City advises the employee that part-time work is available and sets up an appointment with Occupational Health to determine the restrictions that may be placed on the employee to be examined for light duty possibilities. The employee may also be the aggressor in requesting light duty medical accommodation by bringing in a medical restriction from his/her personal doctor. The City will honor that medical assessment as well.
- B. Occupational Health and/or the employee's physician will advise the City and employee of the nature of the work that can be accommodated and the specific restrictions that need to be observed. If the employee agrees with this assessment, work continues until the employee is medically released by the doctor.

The City shall keep the diagnosis confidential as appropriate, but will share the medical restrictions with supervisors to insure that the restrictions are being followed and the jobs assigned will meet the medical needs.

- C. The City will make every effort to place the employee in the department that they work for. However, the employer reserves the right to temporarily assign the employee to another department based on the work demand. The employee is still under the terms and conditions of this labor agreement while working the temporary assignment. The employee is required to abide by the requirements of the department that they are assigned to (work, lunch hours, etc.), while the employer is required to make the reasonable accommodations for the employee based on medical restrictions.

- D. The employee will be given first opportunity for available work hours over part-time personnel. The employee will be afforded full time work status, forty (40) hours per week unless restrictions from a physician dictate a lesser amount. The employee will then have to use the appropriate leave hours based on the nature and cause of their disability.
- E. Work will continue at this full time basis unless and until the doctors alter this restriction by changing hours or conditions.
- F. Both the employer or the employee may request a second opinion on the restriction and the two consulting doctors will consult with one another to establish a common and appropriate work restriction plan.
- G. Accommodation of medical restrictions will be reviewed each month. It is understood that unless approved in writing by the City Manager medical light duty will not be extended beyond a six (6) month period of time without doctor recommendation, however, an additional (6) months extension will not be unreasonably withheld. If the medical accommodation continues beyond that point disability retirement or other options will be reviewed or more permanent solutions discussed with the employee.

Section 12.10 Training Time

Employees shall be paid their regular straight time rate of pay (up to 6 hours per pay period) for all time spent at required departmental meetings or training session, unless a higher rate is required by Fair Labor Standards Act or Michigan law. The hourly pay guarantees of Section 12.5 shall not be applicable to such training or meetings. This straight time training opportunity will only apply to training which is known at least 72 hours in advance of the start of the training session. Notification will generally be by departmental positing, but if the need arises, may be completed by phone, email or other methods that reach the affected officers with adequate notice. Training time earned under this provision may be paid out on the bi-weekly paycheck or accumulated in the officer's comp pay bank.

HOLIDAYS

Section 13.1. Holiday Pay. Subject to the eligibility conditions, an employee shall receive either eight (8) or twelve (12) hours of pay, depending on the employee's regular work schedule in effect on the date of the holiday, for the following recognized holidays:

- | | | |
|------------------|----------------------|---------------------|
| New Year's Day | Labor Day | Christmas Eve |
| Memorial Day | Patriot's Day (9/11) | Christmas Day |
| Independence Day | Veterans' Day | Employee's Birthday |
| | Thanksgiving Day | Easter |

Section 13.2. Holiday Eligibility. In order to be eligible for holiday benefits, an employee must satisfy all of the following conditions and qualifications:

- (a) Work the full number of scheduled work hours; or
- (b) Receive vacation pay for the entire day; or
- (c) Receive sick pay for the entire day because of a bona fide illness; or

(d) Receive approval in writing from their supervisor to take the day off on the City's last scheduled workday prior to each such holiday (which shall be Friday if the holiday is celebrated on Saturday, or Monday if the holiday is celebrated on Sunday) and the full number of scheduled work hours on the City's first scheduled workday after each such holiday. In the event of tardiness or absences, in subsection (a) above, of no more than one (1) hour on either the scheduled workday preceding the holiday or following the holiday, the City may permit the employee to collect their holiday pay provided the employee can establish a reason satisfactory to the City for such tardiness or absences.

Section 13.3. Holiday Benefits.

(a) If an employee works on a holiday, they shall receive two (2) compensatory days off at a mutually convenient time. The holiday shall be considered for clarification the day that it is observed nationally. If a holiday falls during an employee's scheduled day off, they shall receive one (1) compensatory day off at a mutually convenient time. An employee shall be considered to have worked on a holiday only if more than half of their scheduled hours fall during the twenty-four (24) hour period of the holiday. Subject to the City's approval, holiday pay may be taken in compensatory time or in cash payment; there will be a limit of one additional process per paycheck cycle. Holiday time may be accumulated to a maximum of one hundred sixty hours (160).

(b) For employees scheduled on a 12-hour shift:

1. If the holiday is worked, the employee shall receive 24 hours' pay divided as follows: 16 hours holiday and 8 hours compensatory.
2. If the employee is off duty on the holiday, the employee shall receive 12 hours of pay divided as follows: 8 hours holiday and 4 hours compensatory.

(c) For employees scheduled on a 8-hour shift:

1. If the holiday is worked, the employee shall receive 16 hours holiday.
2. If the employee is off duty on the holiday, the employee shall receive 8 hours of holiday

Section 13.4. Holiday While on Layoff or Leave of Absence. Employees on layoff or on leave of absence are not eligible to receive holiday pay as provided for in this Agreement, except as provided in Section 13.2.

Section 13.5. Holiday on Vacation. If such a holiday falls within an employee's scheduled vacation period, and the employee would have been eligible for holiday pay for that holiday but for the vacation, the employee may take an additional day off at the end of their vacation period.

Section 13.6 Holiday Light Scheduling

The Department reserves the right to reduce the work force on Christmas, Thanksgiving, and New Years by first offering the day off to the senior employee on duty and then to the other members of the unit in order of their seniority. If no member volunteers to take the day off, the Department reserves the right to order the junior member of the unit assigned to that shift off duty. Employees ordered off in this situation shall be entitled to 8 hours regular pay and 8 hours holiday pay.

The two Neighborhood Patrol Officers and School Liaison Officer shall be treated as a single shift for the purpose of this section.

No member of the unit will be ordered off more than one time per calendar year.

VACATIONS

Section 14.1. Vacation Accrual Allowance. All employees shall be granted vacation leave with pay and benefits based upon their length of continuous service with the Employer in accordance with the following:

<u>Years of Continuous Service</u>	<u>Time Off</u>
Less than five (5) years	84 hrs. (3.23 hr/pp)
At least five (5) but less than ten (10) years	120 hrs. (4.62 hr/pp)
At least ten (10) but less than years fifteen (15)	168 hrs. (6.47 hr/pp)
At least fifteen (15) years	200 hrs. (7.70 hr/pp)

Vacation leave is credited to eligible employees each pay period, based upon their years of continuous service as of that date.

Section 14.2. Vacation Eligibility. In order to be eligible for full vacation leave benefits each pay period, an employee must have worked a total of at least 80 hours during the preceding two (2) weeks. Employees who fail to work the required number of hours shall be entitled to pro-rated vacation leave based upon the ratio of the hours they actually worked to 80. For purposes of this section, hours worked shall include paid leaves of absence, hours of paid vacation, hours of compensatory time and all hours actually worked. The maximum number of hours that an employee may accrue is twenty-four (24) hours more than the number of hours that the employee accrues on an annual basis.

Section 14.3. Anniversary Date. An employee's anniversary date is the most recent date upon which the employee commenced work for the Employer, and the same date thereafter in succeeding years. An employee's length of continuous service shall be calculated from the anniversary date, and shall only be broken by a loss of seniority.

Section 14.4. Vacation Selection. Vacations will be scheduled by supervision at mutually convenient times subject to the employee needs of the particular operation, provided proper advance notice has been given. Seniority will be honored in ranking employee requests for particular vacation weeks.

(a) Vacation selections shall be made in order of seniority on each shift at the end of the shift sign-up period and prior to the actual shift rotation. Only one employee shall be allowed time off at a time without written approval from the Director.

(b) Scheduled vacation selections shall be a minimum of enough vacation time to allow the employee off work for seven (7) consecutive days. The selection can be any continuous amount over the minimum.

(c) Employee's scheduled vacation meeting or exceeding the above minimum shall not be canceled except in cases of a general call back of all employees, regardless of current shift manpower levels.

(d) Employees will still have the option of requesting the use of vacation hours in amounts less than the minimum or outside the sign-up period. However, vacation hours requested in amounts less than the described minimum or outside of the sign-up period may be denied or canceled at the discretion of the Employer due to manpower demands.

Employees in the Public Safety (Police Division) Department shall receive forty (40) hours off for every forty (40) hours of vacation pay. Employees may not utilize vacation time during their first six (6) months of employment.

Any employee with less than one (1) year of service whose employment is terminated waives their right to any accumulated vacation time. All other employees with one or more years of service whose employment is terminated will be entitled to all vacation time accumulated to the termination date in that vacation year.

If a paid holiday falls within the week during which an employee is on authorized vacation, they will be given an additional day of vacation.

Vacation pay shall be computed on the basis of the employee's rate at the time the vacation is taken.

INSURANCE

Section 15.1. Life Insurance. The City shall carry a \$35,000 Life Insurance policy with \$60,000 of Accidental Death and Dismemberment coverage for each employee. The full cost of this policy shall be borne by the City. All employees shall be eligible for this insurance after completing thirty (30) calendar days of employment with the City.

Section 15.2. Liability Insurance. The City shall provide liability insurance in the amounts of \$100,000 for each occurrence and an aggregate amount of \$300,000 against liability for acts of an employee while they are in the performance of official police duties. A copy of the policy will be furnished to the Union bargaining committee upon request.

Section 15.3. Insurance Policies. All insurance benefits provided in this Agreement shall be governed by the terms and conditions set forth in the respective insurance policies not otherwise inconsistent with the provisions provided herein.

Section 15.4. Long Term Disability Insurance Coverage. During the term of this Agreement, the Employer shall obtain and pay the required premiums for a long term disability program for those full-time employees occupying a classification covered by this Agreement who participate in the Defined Contribution Plan. Employees who become totally disabled and prevented from working for remuneration or profit and who are otherwise eligible shall receive from the Employer's insurance carrier weekly indemnity payments consisting of sixty-six and two-thirds percent (66 2/3%) of their normal gross weekly wages per month. These benefits shall be payable from the 90th day of disability through age sixty-five (65). The benefit payable under this program is coordinated with compensation paid under the Social Security Act. The specific terms and conditions governing the long term disability program is set forth in detail in the policy governing the program as issued by the carrier.

Section 15.5 Short Term Disability

The employer shall provide Short-term Disability coverage for an illness or accident, which will pay the employee one-half (1/2) of their regular base salary, payable from the eighth (8th) day for a maximum of ninety (90) days which can be used in conjunction with sick pay at one-half (1/2) day per day, not to exceed their regular pay scale.

RETIREMENT

Section 16.1. Retirement Plan. The City maintains a retirement plan for employees created and operated under Act 345. This plan has two components, a defined benefit option and a defined contribution option.

(a) The defined contribution option is for all employees hired after July 1, 1997 and those employees hired before that date who elected to participate in that option. The defined contribution program provides the following benefits:

(1) The City will contribute to each participant's account an amount equal to seven percent (7.00%) of the participant's compensation.

(2) A participant may elect to contribute three percent (3.00%) of their compensation to their account. The City will make an additional contribution to the participant's account matching the participant's contribution of three (3.00%) percent of compensation.

(3) A participant may make contributions in excess of three percent (3.00%) as permitted by the IRS Code, but the City will not match these additional contributions.

(4) Participants are one hundred percent (100%) vested in their contributions and shall be vested in the City contributions in accordance with the following schedule:

50% upon completion of two (2) years of service

60% upon completion of three (3) years of service

70% upon completion of four (4) years of service

80% upon completion of five (5) years of service

90% upon completion of six (6) years of service

100% upon completion of seven (7) years of service

(b) The defined benefit option provides for a normal retirement benefit calculated based upon two and one-half percent (2.50%) of the average final compensation for the first twenty-five (25) years of service plus two percent (2.00%) of the average final compensation for each year of service in excess of twenty-five (25) years. Average final compensation is the best three (3) out of the last ten (10) years of service. Employees contribute six (6) percent of their gross compensation to the pension plan.

Section 16.2 Retirement Plan Committee.

1. The City will appoint a committee to thoroughly review the retirement options and investment portfolios available to City employees. One representative from each bargaining unit, the non-bargaining employees, personnel and finance shall be the review committee. The committee is expected to review and perhaps bid the various options that may be available. A company will be selected by a committee of union and management personnel after qualifications have been advertised and reviewed. Once decided, the firm may be altered only by a decision of the committee or for just cause, or the Act 345 Board.
2. An important consideration in the bidding process will be regular hours committed to the education of employees, direct consultation opportunities with employees and a local business presence.
3. The decision of the committee will be referred to the Act 345 Board for ratification and to all employee groups for ratification. If the same plan is selected as a result of this review, the City will aggressively schedule consultation times at regular intervals and mandate training sessions as part of the continuing contracts.
4. It is the charge of the Committee to review both the 457 savings plan (with the full committee), and also the 401a and 457 Retirement plan of the Act 345 Public Safety Employees (with Public Safety and management members of the committee.). These programs may have differing priorities and may be handled in, and result in, differing results. Legal and financial experts are pledged to assist in this review and decision making.
5. It is the position of the parties at the outset that the options of individuals to make investment decisions should be adequate to provide discretion and options satisfactory to the members. It is also the position of the parties that these options will be controlled so as not to over burden the finance accounting process and staff in balancing and accounting for these options.

7. It is understood that the Act 345 Board has control of the retirement system of the Police Patrol Unit. As such the recommendations of the Committee and the decision of the Act 345 Board may be independent of the rest of the employee groups.

Section 16.3. Section 457 Savings Plan. In order to assist in the provision of retiree health insurance, a fund has been created to allow employees to save for the cost of retiree health insurance. Employees may elect to contribute three percent (3.00%) of their compensation to their account within this fund. If the employee elects to contribute the 3%, the City will make an additional contribution to the participant's account of two and one half percent (2.50%) of compensation. Participants are one hundred percent (100%) vested in their and the City's contributions.

UNPAID LEAVES OF ABSENCE

Section 17.1. Military Leave. The City and the Union agree that the matter of leave of absence for an employee during the period of military service with the Armed Forces of the United States, and of their reinstatement thereafter, shall be governed by applicable statutes. Section 17.2. Personal Business Leave. An employee shall have the right to make written application for a leave of absence for a period of up to one (1) calendar month, for personal reason(s) of a persuasive nature which shall be stated in the application. Granting of such leave shall be in the discretion of the City. If the leave be granted, seniority and classification seniority shall be retained and accumulated during the period of leave. Extension of a personal business leave of absence may be granted, in the discretion of the City, for a further period or periods, to a total period of not to exceed six (6) calendar months. During such an extension or extensions, seniority and classification seniority shall be retained, but it shall not be accumulated upon.

A disability leave shall be with pay and benefits until such time as the employee has exhausted all accrued paid sick leave benefits (and vacation if elected by

the employee). This disability leave will continue for the period of the employee's disability; provided, however, that an employee may not be on a disability leave for a period of more than six (6) consecutive months. At the completion of the six (6) month period, the City may grant an extension of the leave for up to six (6) additional months, if the employee can present evidence from their treating physician that there is a substantial likelihood that the employee will be able to return to work during the period of the extended leave. The City may request at any time, as a condition of continuance of a disability leave of absence, proof of a continuing disability. In situations where the employee's physical or mental condition raises a reasonable question as to the employee's capacity to perform the job, the City may require a medical examination by a physician chosen by the City at the City's expense and, if appropriate, shall require the employee to take a leave of absence under this Section. Employees who are anticipating a leave of absence under this Section may be required to present a physician's certificate recommending that the employee continue at work and in all cases the employee's attendance and job responsibilities must be satisfactorily maintained. Employees are required to notify the City of any condition which will require a leave of absence under this Section together with the anticipated date for commencement of such leave. This notice shall be given to the City by the employee as soon as the employee is first aware of the condition. All employees returning to work from a disability leave of absence must present a physician's certificate satisfactory to the City indicating the employee is physically or mentally able to return to work. In the event that the employee disagrees with the Employer's determination, they may request a second opinion at their own expense.

City's right to require medical proof. At the completion of the twelve (12) month period, the City may grant an extension of the leave for up to twelve (12) additional months, if the employee can present evidence from their treating physician that there is a substantial likelihood that the employee will be able to return to work during the period of the extended leave. RATES FOR NEW JOBS

Section 19.1. Rates for New Jobs. When a new job is placed in a unit and cannot be properly placed in an existing classification, the Employer will notify the Union prior to establishing a permanent classification and rate structure. In the event the Union does not agree that the rate is proper, it shall be subject to negotiation. Failure to reach agreement for the rate of pay shall be subject to the Grievance Procedure commencing with arbitration.

WRITTEN AGREEMENTS

Section 20.1. Other Agreements. There are no understandings or agreements or past practices which are binding on either the City or the Union other than the written agreements enumerated or referred to in this Agreement. No further agreement shall be binding on either the City or the Union until it has been put in writing and signed by both the City and the Union.

STRIKES - WORK INTERRUPTIONS

Section 22.1. No Strike/No Lockout. The parties to this Agreement mutually recognize that the services performed by employees covered by this Agreement are services essential to the public health, safety and welfare. The Union, therefore, agrees that there shall be no interruption of these services, for any cause whatsoever, by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful and proper performance of the duties of their employment. The Union further agrees that there shall be no strikes, sit-downs, slow-downs, stay-ins, stoppages of work or any acts that interfere in any manner with the services of the Employer.

The City may, at its option, discipline, including discharge, any or all employees violating any provision of the first paragraph of this Section.

During the term of this Agreement, the City shall not cause, permit or engage in any lockout of its employees.

Both the City and the Union reserve all rights to seek legal redress for any violation of this Section. Nothing contained in this Section shall be construed as a waiver of any such right to which either party is entitled.

SICK LEAVE

Section 23.1. Sick Leave Credit. Every Police Department employee shall be allowed sick leave with pay at the rate of twelve (12) hours for each month of continuous service. This sick leave will be credited equally with each bi-weekly check paid to officers in the amount of 5.54 hours per pay. Unused sick leave for Police Department employees may be accumulated up to a maximum of one thousand three hundred twenty (1,320) hours.

Sick leave is a benefit for employees to be used in the case of illness or injury and is not a benefit to be converted into wages during the normal course of employment. Employees whose employment status with the Employer ends shall not be paid for accrued but unused sick leave, except for when the employee retires from the Employer and is able to draw an immediate retirement allowance from the Employer or upon death of the employee. Upon retirement, the employee will be paid for sick leave hours as follows:

 - 1. The City Manager and Human Resources shall confirm that the injury of long-term illness is indeed catastrophic.
 - 2. A doctor certifies that a long-term medical injury or illness exists.
 - 3. The injury or long-term illness must require the employee to take at least 30 consecutive days off. If the injury or long-term illness occurs to a family member, the term of disability must continue for a period of 20 days.
 - 4. The employee shall not have been disciplined for sick leave abuse.
 - 5. Prior to receiving a sick leave donation, the employee must have exhausted all compensatory leave, personal leave and vacation leave time.
 - 6. All sick leave donations must be voluntary. They must be received by posting the request on the bulletin board of the City. A confidential posting option will also be available in the office of the Human Resource Office of the City. Department directors will then ask employees to consider signing

this posting indicating their willingness to sign over some of their sick leave to the disadvantaged employee. The opportunity for donations shall be posted for a period of seven days. After this time no further donations may be made. No solicitation by the employee for signatures is permitted.

7. No employee shall give more than sixteen (16) hours to the donation program for any one (1) employee in a calendar year.
8. No more than one hundred sixty (160) hours may be contributed to the benefit of any one (1) employee under this program for any single catastrophic leave.

Section 23.4. Records and Reports. Only the sick leave record kept by the City office shall be considered official. These records may be reviewed by the employee. Upon return to work, all sick leave must be requested in writing to the department head who will deliver said request to the City office so the official record can be updated.

Section 23.5 Definition of Retirement. The definition of retirement, as it applies to this Sick Leave section only, shall mean any full time employee who:

Makes application for and begins receiving periodic withdrawals from the Act 345 Defined Contribution Plan within thirty (30) days of their termination of employment with the City of Big Rapids, or

Obtains age 55 with at least 15 years of service credit, age 50 with at least 25 years of service credit, or age 60 with at least 10 years of service credit, regardless of whether they elect to begin immediately receiving withdrawals from the Defined Contribution Plan.

The Employer shall give advance notice to the affected employee and to the Union, citing specific reasons for the required examination, prior to any examination being scheduled.

Section 25.7. Drug Use and Testing. The City strictly prohibits the manufacture, unauthorized use or possession, sale or distribution of drugs/alcohol by its employees on City premises (including parking lots and in City vehicles) or during work time. Compliance with this policy is a condition of employment. Violation of this policy will result in discipline up to and including discharge.

The Union acknowledges that its members are employed in safety sensitive positions and that its members or citizens could be placed in jeopardy by an employee's use of drugs/alcohol. Therefore, it is agreed that an employee will be required to submit to a blood

and/or urinalysis examination for the purpose of detection of the employee's use of unauthorized prescriptive drugs, illegal drugs, controlled substances, and/or alcohol in the following circumstances:

- A. If the City has a reasonable suspicion that the employee in question is:

An eligible employee may take up to 12 workweeks of leave during a "rolling" 12-month period measured backward from the date an employee uses any leave. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomach, minor ulcers, headaches other than migraine, routine dental or orthodontia problems and periodontal disease are examples of conditions that do not meet the definition of a serious health condition and do not qualify for FMLA leave.

Military Caregiver Leave. An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember who suffered a serious injury or illness in the line of duty on active duty in the Armed Forces shall be entitled to a total of 26 workweeks of leave during a 12 month period to care for that servicemember. This servicemember family leave shall only be available during a single 12 month period, and during that 12 month period an eligible employee shall only be entitled to a total of 26 weeks of combined regular FMLA leave and Military Caregiver Leave.

When an employee requests a leave of absence under the FMLA, the Employer reserves the right to require the employee to utilize any accumulated paid leave that is available for use under the Labor agreement covering the circumstances under which the FMLA leave is requested. In the event that more than one type of paid leave is available, the employee shall have the option to select the order in which the paid leave is to be used. As a condition of the leave, employees must utilize available paid leave in the order set forth above and cannot elect to have unpaid leave in order to retain paid leave for use at other times. Upon the exhaustion of accrued paid leave days, the remainder of the leave shall be without pay. While on leave, an employee's coverage under any group health plan shall be

continued on the same conditions as coverage would have been provided if the employee had been continuously employed during the entire leave period

The provisions of this section are supplemented by the City's Family and Medical Leave policy, and are further explained by the Family and Medical Leave Act of 1993 (FMLA) and the regulations promulgated under that Act.

- \$18,232.31 for family coverage.

Employees will be required to pay on a monthly basis 1/12th of any remaining amount after applying the respective hard cap above to the total paid by the Employer towards the Employees annual health care costs. The City pays the health insurance premium in advance, so the employee contribution towards the monthly health insurance premium cost is taken in equal amounts out of the previous month's paychecks. The hard cap includes amounts paid for health care costs, HSA amounts contributed by the City under Section 3, and dental/vision coverage. Under no circumstance will the City's aggregate

payment towards health care costs exceed the annual hard cap limitations established under this agreement.

An employee electing a non-HSA qualified plan will not be eligible for any balance that may remain after medical, dental, and/or vision premiums.

In the event that a projected increase in health care costs will cause the amounts established under this agreement to be exceeded under either of the alternative health insurance plans, the Health Care Committee established in Section 9 will immediately convene to review the issues and to recommend modifications to the health care plan or distribution of the premium. In the event that changes to the health care plan or premium distribution are not implemented pursuant to Section 9 at least one month prior to the effective date of the health insurance premium increase, the employee contribution set forth above will be increased to pay for all health care costs in excess of the hard cap amounts established in this section. In addition, the insurance provisions of this agreement may be reopened for negotiation at the option of the Union.

Section 3. HSA Contribution. Employees that elect a high deductible plan with a HSA will receive a contribution to their HSA in an amount equal to the remaining hard cap established for the plan year, less amounts paid towards other health care costs for the Employee. The Employer HSA contribution will be made with the first payroll in January.

Eligibility for the HSA contribution will be determined by the employee's status ten (10) calendar days prior to the contribution date. Employees experiencing subsequent changes in coverage status will receive an additional pro-rated contribution to their HSA or repay the excess received on a pro-rated basis to account for differences in the Employer HSA contribution levels of the plans. The additional contribution made by the City or repayment by the employee will be pro-rated based upon the remaining number of whole months in the calendar year to twelve. Employees who leave the employment of the City during the same calendar year of receiving a HSA contribution will be required to repay the contribution received based upon the ratio of the number of complete months of service during the year to twelve.

Employees hired after the contribution date who elect to participate in a HSA Plan will receive a pro-rated HSA contribution based upon the ratio of the number of complete months of service in the calendar year to twelve.

Section 4. Cash Payment in Lieu of Medical Coverage. Employees who are covered by a non-City sponsored health care plan will only be eligible to receive a payment in lieu of medical insurance and are not permitted to participate in a City sponsored health care plan. Employees choosing to take the incentive payment will be required to provide proof of insurance from another source on an annual basis.

Employees covered under a non-City health care plan will be reimbursed the following payment in lieu of medical insurance:

Single - \$175 per month
Two Person and Family - \$285 per month

For employees who are covered by the City's medical insurance through a spouse who is an employee of the City of Big Rapids, the employee not carrying the City's insurance will receive a payment in lieu of medical coverage of \$235 per month.

Section 5. Dental Insurance. The Employer shall make available a policy of dental insurance coverage for qualifying employees and their dependents. Employees electing dental insurance coverage are required to pay the entire cost and shall make arrangements satisfactory to the Employer for the payment of the required monthly premium.

Section 6. Vision Insurance. The Employer shall make available a policy of vision insurance coverage for qualifying employees and their dependents. Employees electing vision insurance coverage are required to pay the entire cost and shall make arrangements satisfactory to the Employer for the payment of the required monthly premium.

Section 7. Insurance Carriers. The Employer reserves the right to select the insurance carrier or to use self-insurance provided that the benefits remain substantially equivalent as those in effect on the effective date of this agreement. Administration of insurance benefits shall not be considered as a benefit. The cost of administration shall be paid by the Employer or included within the plan. All insurance shall be subject to such terms and conditions as provided in the master insurance policies. Prior to making any changes in the insurance carrier, the City will schedule a special conference to discuss the change.

Section 9. Health Care Committee. A Health Care Committee is hereby established to represent the four employee unions, the non-bargaining employees, and management (represented by the Finance Department or designee). Each member will have a single vote and decisions must pass by a majority of the membership. It is recommended that this committee meet quarterly – but no less than semi-annually. The Human Resources Coordinator or designee will chair these meetings. Each group will appoint one member – who is a current participant of the health insurance – to review the insurance issues, to recommend cost savings, policy modifications, and be a communication bridge to the rest of the City employee groups. Changes in plans (and the associated costs of the changes), must be passed by a majority of the committee members before recommendation to their respective bargaining groups and be approved by the Commission (as needed or desirable) before they may be implemented citywide. All insurance policies must be of citywide application (which means available to all eligible employees, not necessarily taken by all). This does not preclude the City decision to offer

a cafeteria plan or a several-tiered level of elective services. This committee will also make recommendations on the Vision and Dental insurance plans.

Section 10. Obligation to Continue Payments. In the event that an employee eligible for insurance coverage under this Agreement is discharged, quits, retires, resigns, is laid off, or commences an unpaid leave of absence, the Employer shall have no obligation or liability whatsoever for making any insurance premium payment for any such employee or their lawful dependents beyond the month in which the discharge, quit, retirement, resignation, layoff, or unpaid leave of absence commences; provided, however, that employees on a family and medical leave of absence shall continue to be eligible for Employer-paid insurance for the period of their family and medical leave on the same terms that would exist if they were not on the leave. Employees on Employer approved unpaid leaves of absence may continue insurance benefits on a month by month basis by paying to the Employer, in advance, the amount of the next month's premium for that employee and/or their lawful dependents. The Employer shall resume payment of insurance premiums for eligible employees who return to work from layoff or unpaid leaves of absence as of the first (1st) day of the premium month following the date of the employee's return to work. The provisions of the foregoing notwithstanding, the Employer will continue to pay insurance premiums for eligible employees who are entitled to worker's compensation benefits because of a job related injury for a period of up to twelve (12) months.

Section 11. Merger and Integration. This Agreement and the exhibits attached hereto contain the entire agreement of the parties with respect to the subject matter of this Agreement, and supersede all prior negotiations, agreements and understandings with respect to health care issues thereto. This Agreement may only be amended by a written document duly executed by all parties.
