PARTNERSHIPS REQUIRED TO FILE

Every partnership that conducts business activities in the City of Big Rapids, whether or not an office or place of business is maintained in the City, is required to file a return within four (4) months following the end of the taxable year. If on a calendar year basis, the return must be filed by April 30. **If the partnership elects to pass through the income to the partners on their personal return, then file an Informational Return, Form 1065, with the City of Big Rapids and attach schedule K and copies of all K-1's.**

FORM TO BE USED

If a partnership elects to pay for all partners when filing the return, the Partnership Summary Return provided shall be attached to a copy of the Federal 1065 with all necessary schedules and K-1's or the required information should be carried over to the necessary federal schedule(s) and attached to Form BR-1040.

RESIDENT VS. NON-RESIDENT PARTNER

Partners who are residents of Big Rapids are taxed on their entire distributive shares of the net profits of the partnership, including that arising from the business activity outside the City, and including interest, dividends, and royalties and gains from the sale or exchange of property, either tangible or intangible.

RESIDENT VS. NON-RESIDENT PARTNER (continued)

Partners who are non-residents of Big Rapids are taxed on their distributive shares of the net profit which is attributed to business activity in the City, plus net rentals of property in the City and gains from the sale or exchange of real or tangible personal property in the City. They are not taxed on their share of net rentals on property outside the City, gains from the sale or exchange of real or tangible property outside the City, gains from the sale or exchange of securities or other tangible property, or interest or dividends.

OPTION TO PAY TAX

At its election, the partnership may file either an informational return or it may compute and pay the tax which is due with respect to each partner's share of the net profit of the business, after giving effect to exemptions and other items to which each partner is entitled. Such election is available to all partnerships regardless of the residency of the partners. The partnership may pay the tax for partners only if it pays for all partners subject to the tax.

If the partnership elects to pay the tax on behalf of the partners thereof, then such election and payments shall be deemed to meet the requirements for filing of a return as provided by the Ordinance, for each partner who has no other income subject to the tax. However, a return shall be required from any partner having taxable income other than his/her distributive share of the net profits of the partnership.

PARTNERSHIP AS TAXPAYER

If the partnership elects to pay the tax on behalf of the partners, then it assumes the status of the taxpayer to the following extent:

1. Timely payment. Payment must be made within four (4) months from the end of the fiscal year or period; otherwise, it will be subject to interest and penalties the same as a delinquent payment from any other taxpayer.

2. Payment of estimated tax. The election of the partnership to pay the tax on behalf of the individual partners also carries with it the requirement to file a Declaration of Estimated Income Tax, Form BR 1040ES, if the total estimated tax for the partnership is expected to exceed \$100.
