9-26-2020: Station 2 - CO alarm
9-28-2020: Station 1- CO alarm
9-29-2020: Station 2 - Lift assist

Our air cylinders were inspected and hydro tested on September 30th.

Josh Goudreau passed his written test for FF 1 and FF 2 which means he has completed his primary State requirements.

Tom Maynard has resigned, citing he has more to do than he has time. He gave a letter of resignation to our Superintendent.

I have asked for formal quotes from our vender for the PPE pants and coat. I hope the Board will approve purchase at the next regular meeting.

Respectfully submitted,
Fire Chief Jeff Iverson
