### February 8<sup>th</sup>, Board Meeting Report

February 4, 2021

- Meetings that I have been or will be attending:
  - Feb 8<sup>th</sup> County COVID Cooperative Meeting
  - Feb 9<sup>th</sup> DAEDA Infrastructure and Housing meeting.
  - Feb 10<sup>th</sup> County Cooperative GIS meeting
  - Feb 15<sup>th</sup> County COVID Cooperative Meeting
  - Feb 18<sup>th</sup> DAEDA organizational meeting.
- Permits
  - Permit applications are still coming in along with questions on zoning and site standards for 2021 building projects. Attached is a bar graph showing new tax base value increasing in both residential and commercial construction.
- Personnel:
  - DPW had a member return Thursday the 4<sup>th</sup> from quarantine.
  - Our custodian hopes to be back this week from quarantine.
  - There were two more applicants for our fire department in your packet. I am working with Joe on facilitating joint training while adhering to the Health department stipulations.
- I would like to meet with the Parks and Rec Committee when convenient to explore a couple options for projects and grant applications.
- Our sander (Ford F-450) has been repaired and is in use.
- The Air Pack Grant is scheduled to be submitted. I have been finding that there are additional equipment needs in the Fire Department. AEDs (for heart attacks) have been on our fire trucks, but are outdated (about 4k to replace) and thermal imaging devices (which are invaluable at a fire scene) need service or replacement (three new ones are about 22k) I will furnish more information on these items.
- The ice rinks are getting a lot of use, with the warming building opened as available subject to the health department stipulations.

Respectfully Submitted,

Steve Mulka  
Superintendent
