 - Process applications for: zoning permits, conditional use permits and variances.
 - Our Master Plan input survey has begun. A link to the survey is on our website, and there is a link in the Newsletter going out with the tax bills. Printed copies will be made available as needed. Please participate and promote the public to submit their input as to what goals and issues they would like to see the Township work on.
 - I will be working with Ryan and CUPPAD on the next step in the process
