The Breitung Township Planning Commission would like to invite you to attend the next three Planning Commission meetings to discuss the recently adopted Master Plan and Future Land Use Maps for distribution. The Master Plan and Future Land Use Maps are the blueprint for tomorrow for the Township.

The Planning Commission meets on the second Thursday of each month. The meetings are scheduled as follows:

January 11th 2024 at 6:00 PM

February 8th 2024 at 6:00 PM

March 7th 2024 at 6:00 PM – Public Hearing

It is the responsibility of the Planning Commission to hold a public hearing, take, review, and discuss all suggestions for changes to the Plan prior to bringing it back to the Township Board for adoption. We would prefer your input as soon as possible, preferably no later than the February meeting. That will provide ample opportunity to incorporate the recommendations into the plan for the document presented at the public hearing on March 7th.

The Planning Commission always welcomes the public for discussion on any topic. Each of the above listed meetings will have a time set aside for open discussion of the Master Plan and Land Use Map. The plan is a living document, on the docket for review every 7 – 10 years. This is a great opportunity to come out and discuss your vision of the future for Breitung Township.

Regards,

Breitung Township Planning Commission
