Maintenance Reminders to All Residents

If you are aware of an emergency work order, such as having no heat, or toilet not flushing – call during hours of operation, if possible! Please do NOT wait until the end of the day to report an issue you were aware of earlier in the day! Also, do not dump grease down your sinks. Pour hot grease in a tin container, and when it has cooled then throw it away in the trash. Grease will clog the lines and a charge will apply if grease is found to be the cause of your clogged sink.

Snow Removal Reminders

Just a friendly reminder: The parking lots and sidewalks will be plowed after the conclusion of each snow fall. It is necessary for you to move your vehicle in order to properly plow your lot. We cannot guarantee a time however, the sooner everyone moves their vehicle out of the lot, the sooner your lot will be plowed. Feel free to call the office when the lot is empty.

Be prepared to move or have someone move your vehicle on snow days so all the parking areas may be plowed properly.

Keep all vehicles back as far as necessary to keep the front bumper from hanging over the sidewalk so as to avoid personal injury of the pedestrian traffic and assist in snow removal from the sidewalks.

Any vehicle improperly parked, inoperable or unlicensed will be tagged and towed after 48 hours at the owner's expense. (Only 12 hours will be given for vehicles that do not move for snow removal).

Thanks for your cooperation in assisting with the snow removal process. Ice melt is available at each entry.
