Spring Reminders

Please move patio furniture, tables, toys, etc. when you see the mowers around the complex. In addition, please remember to monitor your children at all times when they are on the playground and outside. Please prevent them from leaving items on the lawn, littering and writing with chalk on buildings. Also, remember to respect your neighbors' property and belongings.

Cigarette Butt & Trash Disposal Reminder

We have received several complaints that residents are tossing their cigarette butts on the ground. Not only is this a lease violation, but could also result in a ticket for littering from the Big Rapids Department of Public Safety. Please be considerate and dispose of cigarette butts properly. Also, make sure you are placing all your trash in the dumpster to avoid having trash scattered throughout the complex

Laundry Rooms Closed for Cleaning

All laundry rooms will be closed on Thursday, May 6, 2021, for cleaning.

Extermination Notice – Ants, spiders, etc. – May 19, 2021

On Wednesday, May 19, 2021, Rose Pest Solutions will be spraying around the perimeter of EVERY building. In case of rain Wednesday, May 26, 2021 will be the make-up date. Please clean up the area around your unit and remove all lawn furniture, toys, plants, lawn ornaments, etc. from the outside perimeter of your apartment, (about 3ft. from the building). Toys and other items should be placed in the sheds. On Monday, May 17, 2021 we will be checking to make sure the areas around your apartment are clear and anyone in non-compliance will receive a notice. Pets should not be outside during the application. The exterminator recommends having all windows shut during the application.

Bed Bug Prevention

Bed bugs are hard to prevent because of their small size, night habits, and ability to hitchhike.

Here are some prevention tips:

- Be on the lookout for signs of infestations such as: waking up with bites, seeing live bugs, dark red or black spots on bedding, carpets, walls and furniture. Finding bed bugs early is the key to preventing their spread.
- Inspect used furniture closely before bringing into your home. Look for signs of infestations in cushions, zippers, seams, and underneath including springs and frames. Use a magnifying glass if possible. Beware of items in alleys and dumpsters.
- If you have carpet, vacuum your home regularly. If you do have bed bugs, make sure you close the vacuum bag tightly and dispose of it outside your home.
- Take a look around mattresses and furniture when staying in a unfamiliar place. Bed bugs can hitch a ride home on your clothing or luggage.
