Our Burlingame Community is amazing, with much to be thankful for. Yet, we face issues that will require thoughtful leadership and creative solutions.

We need to actively guide the path forward, working to protect what is precious, while pursuing an engaged, collaborative, and transparent approach to identify solutions that will continue to enhance all our lives.

I stand for clean safe neighborhoods, a rational approach to traffic and affordable housing, partnerships with our schools, support of our business community, access for seniors and the disabled, and overall fiscal responsibility.

Committed to community service my entire life. I view it as an opportunity to improve all our lives and an important vehicle for giving back.

For example, volunteered in Nepal and Africa to improve healthcare systems.

Since moving to Burlingame 30 years ago, donated my time and efforts to expand programs in our schools and enrich the educational experience for our kids; driven fundraising efforts to support our Burlingame Parks and Recreation Department, including the new Community Center; and coached youth sports programs for more than 15 years.

I am a compassionate person and an effective leader who will work tirelessly on behalf the residents of District 5 and our entire Burlingame Community.
