

CONCEPTUAL DESIGN SURVEY

**Burlingame Community Center**

Below are a series of images that encompass not only an array of architectural styles (ranging from traditional to contemporary), but also express the overall look and feel that your new community center could have. Please rank the design values from 1 (high) to 8 (low). A ranking of 1 signifies that you think the value or images shown are most appropriate for the project's location in Washington Park and Burlingame's community values, a ranking of 8 indicates the particular value is not in line with Burlingame's values.
