# CARE AT HOME

## Home Care Aide Agencies

Home Care Aide Agencies (also known as Home Care Organizations) offer a wide spectrum of non-medical personal care and domestic support services. Staff are available on a continuous, hourly, or live-in basis. Many agencies also provide respite care services. All personnel are employees of, and supervised by, the Home Care Aide Agency. The agencies withhold taxes, provide workers' compensation insurance, and verify that the aides are registered with the California Department of Social Services (CDSS).

## Home Health Care Agencies

Home Health Care Agencies are licensed by the State of California to provide skilled nursing (RN and/or LVN) and are required to offer at least one of the following services: Occupational, Physical or Speech Therapy; Medical Social Services; and/or Certified Home Health Aides. To be covered by Medicare these services require a physician's order and the need for skilled care. Ask the agency if it accepts Medicare, Medi-Cal or private insurance.

## Referral Agencies

These agencies recruit, screen and refer caregivers. They place caregivers with clients and generally collect a placement fee. Some referral agencies charge an hourly rate which includes both the agency fee and the caregiver's wage. The referral agency typically does not pay employer/employee payroll taxes or workers' compensation insurance. There is no licensure mechanism available in California for these agencies.

## Two important questions to ask to ensure you are selecting a licensed Home Care Organization (HCO) and registered Home Care Aides (HCA):

1. For the HCO: What is the license number?
2. For the HCA: What is the PER ID and name as it appears on registration for search registry?

## California Department of Social Services has two public websites for consumers to ensure HCOs are licensed and HCAs are registered:

HCO: <https://secure.dss.ca.gov/CareFacilitySearch/Search/HomeCareOrg>

HCA: <https://secure.dss.ca.gov/cclid/hcsregistry/registrysearch.aspx>

Mobility Ambassador are volunteers who help older adults and adults with disabilities become familiar with their transportation options. Ambassadors are based at host senior centers.

**Senior Mobility Guide** . . . . . 1-800-660-4287

[www.peninsularides.com](http://www.peninsularides.com)

Provides information about transportation options for older people in San Mateo County. The Guide includes information about driver safety, shuttles, public transportation, walking, and other mobility topics.

**Senior Ombudsman Program** . . . . . 510-563-8998

The DMV has established a division that assists seniors at risk of losing their licenses. Their small staff also provides outreach on issues facing senior drivers, and talks to family members about how best to approach parents when driving becomes too dangerous. Additionally, they advocate for seniors who may wrongly have had their driver's licenses removed.

# VILLAGES

"Villages" are virtual communities of neighbors helping neighbors. They are non-profit membership organizations, largely run by volunteers. The goal is to make it possible for older adults to continue living in their own homes and communities as they age, by providing services such as transportation, social opportunities, and minor home repairs. Fee for service.
