

## City of Burlingame, CA Industrial Pretreatment Program

# Wastewater Discharge Permit Application

(Only Authorized Under the Pretreatment Rules and Regulations)

| Facility Name   |       |  |  |  |  |
|---|-------|--|--|--|--|
|   |       |  |  |  |  |
| Address:  |       |  |  |  |  |
|   |       |  |  |  |  |
| Telephone:  | Date: |  |  |  |  |
|   |       |  |  |  |  |
| Name of Person Responsible for Permit Compliance (owner): |       |  |  |  |  |
| E-mail address:   |       |  |  |  |  |
|   |       |  |  |  |  |

In consideration of this permit, the undersigned agrees:

- a. To abide by all provisions of Title 15 of the Municipal Code, Chapter 15.14 known as the Storm Water Management and Discharge Control Ordinance and all other pertinent ordinances and regulations that may be adopted in the future.
- b. To operate and maintain any waste pretreatment facilities or equipment, as may be required as a condition of the acceptance into the wastewater treatment system of the industrial wastes involved, in any efficient manner at all times, and at no expense to the City.
- c. To cooperate at all times with the City and its representatives in their inspection, sampling, and study of the industrial wastes, and any facilities provided for pretreatment.
- d. To notify the wastewater treatment facility immediately in the event of any accident, or other occurrence resulting in discharge of any wastewater or substances prohibited or not covered in this permit.
- e. To dispose of any sludge or by-products of wastewater pretreatment processes in a legal manner in accordance with applicable federal and state regulations.

## Submittal Information:

Submittal of this Application is NOT Authorization to Discharge.

Please read these questions carefully. If you have any questions, please contact Laura Suarez, Environmental Compliance Coordinator at (650) 342-3727 or <u>laura.suarez@veolia.com</u>.

| -  |              |                   |  |

9. If new ownership, please indicate any production or process changes:

10. Provide a description of the manufacturing, production, or service activities your business conducts and include type of equipment or machinery involved:

| 11. | Business operation hours and days of week:                                    |   |             |    |  |
|-----|---|---|-------------|----|--|
| 12. | SIC Coo   | le (Standard Industrial Classification) if known:   |             |    |  |
| 13. | Waste   | Wastewater discharge hours:   |             |    |  |
| 14. | Indicat   | cate the number of days per week discharge occurs:  |             |    |  |
| 15. | Numbe   | Number of employees:  |             |    |  |
| 16. | ls wate   | ater discharge: Seasonal Continuous throughout the year   |             |    |  |
| 17. | If seasonal, list months:   |   |             |    |  |
| 18. | Average monthly water use (from water bills): gallons                         |   |             |    |  |
| 19. | 9. Does your business generate hazardous waste or use hazardous materials in: |   |             |    |  |
|     | •   | Any production processes?   | Yes         | No |  |
|     | •   | Name of the hazardous waste disposal company:   |             |    |  |
|     | •   | Has the facility been inspected to assess the potential for these materials to enter sanitary and storm sewer drains? | Yes         | No |  |
|     | •   | Is secondary containment provided for fuels and hazardous chemi<br>or wastes in the production or storage areas?      | cals<br>Yes | No |  |
|     | •   | Is any vehicle maintenance or other production activities performe outdoors?  | ed<br>Yes   | No |  |

## **Wastewater Discharge Permit Application**

20. Give the common and technical names of materials and chemicals used or generated during manufacturing, production or other activities. If you need additional space to list all chemicals, please use a separate sheet and include with your submission

| 21. | Does the company participate in any formal type of source reduction, waste minimization (recycling) or similar program involving pollution prevention? | Yes | No |
|-----|--|-----|----|
| 22. | Have any of the following plans been prepared for the facility?  |     |    |
|     | Hazardous Materials Management Plan  | Yes | No |
|     | Hazardous Communication Plan   | Yes | No |
|     | Storm Water Pollution Prevention Plan  | Yes | No |
|     | Chemical Hygiene Plan  | Yes | No |
|     | Injury & Illness Plan  | Yes | No |
|     | Spill Control Plan   | Yes | No |

23. Describe any pretreatment (grease removal, sedimentation, pH adjustment, heavy metals, precipitation, etc.) processes for your facility's industrial wastewater prior to discharge to the sanitary sewer:

| 24. | Are there floor drains present in the production area?                                      | Yes | No |
|-----|---|-----|----|
| 25. | Expected number of meals served per day?  |     |    |
|     | Provide seating occupancy:  |     |    |
| 26. | Does this facility have a garbage disposal?   | Yes | No |
| 27. | Does the business know about the City of Burlingame's Fats, Oils, and Grease (FOG) Program? | Yes | No |

## Certification

This certification statement shall be signed by the responsible corporate officer, manager, general partner, or duly authorized representative of the discharger and makes that person legally accountable for the information submitted per the Sanitary Sewer Use Regulations, Chapter 15.10.

## AUTHORIZED SIGNATORY STATEMENT:

"I hereby certify under penalty of law that I have personally examined and I am familiar with the information in this report and all attachments therein. Furthermore, based on my inquiry of those persons immediately responsible for obtaining the information contained in this report, I believe that the information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment."

Authorized Signatory (print or type name): \_\_\_\_\_\_
