Over 100 Community Members Support Burlingame Businesses! *Do You?*

As we enter the **10th and final week** of our summer "[Love Local. Buy Local. Choose Burlingame](#)" campaign, the City would like to thank all of the community members who signed the pledge to Choose Burlingame. [Click here to view the list of supporters.](#)

By taking the pledge, community members acknowledge their:

- appreciation for the **diversity of services and products** that Burlingame businesses make available to the community;
- understanding of the benefits of buying from Burlingame businesses such as **keeping stores profitable and open; recirculating money** in Burlingame's local economy; **conserving energy and resources** in the form of less fuel for transportation and deliveries and less packaging; helping businesses "**pay it forward**" with their contributions to local causes and nonprofits; and **contributing to City services, programs, and infrastructure** through the sales tax paid on purchases made in Burlingame; and
- commitment to considering Burlingame-based businesses before making purchases.

It's not too late to take the pledge! [You may sign the pledge by clicking here.](#) This week we are asking residents to indicate their favorite local "**sweets & treats**" business.
