## **National Night Out is Back!**

On Tuesday, August 3, neighborhoods throughout Burlingame are invited to join forces with thousands of other communities nationwide for the National Night Out crime prevention event. National Night Out is sponsored by the National Association of Town Watch and is co-sponsored locally by the Burlingame Police Department. Over 15,000 communities from all 50 states are expected to participate in this year's "America's Night Out Against Crime".

From 6:00 p.m. to 9:00 p.m., people in neighborhoods throughout Burlingame are asked to turn on their outside lights and spend the evening outdoors with neighbors. Many neighborhoods will be hosting a variety of special events such as block parties and cookouts.

If you plan on hosting a neighborhood event and would like members of the Burlingame Police Department to visit, please RSVP to Captain Bob Boll by phone at 650-777-4177, or by email at [boll@burlingamepolice.org](mailto:boll@burlingamepolice.org).

## **Burlingame Crime Data Since 2015**

The City has learned that some residents believe there has been an uptick in crime in Burlingame. In response, we have posted crime data since 2015, organized by type of crime, on the City's "For the Record" page. [Click here to see the facts.](#)

Crime data is available on the City's website 24/7. When you want the facts or you want to learn what's going on in your particular neighborhood, [visit the Burlingame Police Department's Crime and Arrest Map here](#). While viewing the map, click on the location pins to learn more about a specific incident or filter data by date, date ranges, and types of crimes. Click on the "Bulletin" tab on the left menu bar of the map to view the daily police blotter.

Questions? Call the Police Department's non-emergency number at 650-777-4100.

## Borrow an Induction Cooktop

Are you curious about induction cooking? Or have you heard of it but never tried it? Now is your chance!

Induction cooktops are an energy efficient, safe, and high performing cooking option that uses electric induction technology to directly warm cookware. In comparison to gas cooking, induction cooktops are known for heating faster, creating less indoor air pollution, and avoiding fire risks. ([www.burlingame.org/inductioncooking](http://www.burlingame.org/inductioncooking))

[Sign up here](#) to borrow an induction cooktop and compatible pan for up to two weeks. [Check out this introductory video and get cooking!](#)

## SHARE YOUR THOUGHTS! OLD BAYSHORE HIGHWAY CORRIDOR

The City of Burlingame is preparing a Complete Streets Plan for Old Bayshore Highway to guide improvements that will make it easier, safer, and more inviting for all users to access and move along Burlingame's shoreline. The plan will also include Bay Trail guidelines and gap closure analysis for continuous shoreline access between Airport Boulevard and Millbrae Avenue. **Visit our second community survey to see how community feedback has shaped our preliminary alternatives, and help us refine our design priorities!**

### COMMUNITY SURVEY 2

SHARE YOUR VISION!

<https://www.surveymonkey.com/r/BayshorePreliminaryAlts>

**This community survey will be active through July 5, 2021.**

Additional opportunities to participate will be announced as the project progresses.

## Old Bayshore Highway Corridor Improvements Survey #2 Open Through July 5

The City is conducting a feasibility study to look at potential roadway improvement designs for Old Bayshore Highway, from the northern city limits to the U.S. 101 northbound ramps. This study will look at improving the access, safety, operations, and aesthetics of Old Bayshore Highway for all modes of transportation (pedestrians, bicycles, vehicles, and transit).

The City has been working with various public and private stakeholders, including business owners, property owners, residents, and City Commissions, to present project context, opportunities, and constraints, as well as to solicit feedback that will determine the community's priorities for the corridor. **The second community survey is now underway.** The goal is to see how the community feedback has shaped the preliminary alternatives, as well as allow us to refine the design priorities!

[Click here to take the survey.](#)

By clicking on the link, you can see an overview of the process for the study, as well as provide feedback based on your priorities for the corridor.

If you have any questions after completing the survey, send an email to

## Does Your Child Love to Sing?

This fall, St. Paul's Choir School will embark on its 15th season of offering first-rate musical training in a nurturing Christian environment for youth in grades K through 12. Based in the rigorous and acclaimed Royal School of Church Music training program, the St. Paul's Choir School develops each child's musicianship to the fullest, and also nurtures invaluable life skills of teamwork, leadership, discipline, and self-confidence.

Weekly in-person rehearsals are planned to resume in the fall. Carefully following current safety guidelines, youth will rehearse in St. Paul's Episcopal Church's Foote Hall, sing and record in the beautiful nave of St. Paul's, and prepare for a July 2022 residency at Wells Cathedral, England.

For more information about joining the Choir School, click [here](#) and contact Director of Music Dr. Susan Jane Matthews at [smatthews@stpaulsburlingame.org](mailto:smatthews@stpaulsburlingame.org) before July 7, 2021.
