New Electric Vehicle (EV) Charging Stations in Town

Burlingame has 24 new EV chargers available for public use at the recently opened Highland Parking Garage. These Level 2 charging stations are located on the 1st, 2nd, and 3rd floors of the parking garage.

Interested? Users should download the Powerflex app on their mobile phones, create an account, and add funds to the app's mobile wallet for payments. Prior to charging, users may open the app and scan the QR code at the station to begin charging. A text notification will be sent when charging is complete. Come visit and plug-in!
