## **Thank You Burlingame Bayfront Cleanup Volunteers!**

On Saturday, September 17, the City of Burlingame welcomed volunteers for Bayfront Cleanup Day. The City welcomed 263 volunteers who, in three hours, collectively removed 578 pounds of trash and recyclables along two miles of the San Francisco Bay Trail!

The City of Burlingame would like to thank the Girl Scouts for staffing the registration booth, as well as event sponsors [Veolia](#), [Embassy Suites](#), and [Peninsula Clean Energy](#) for supporting this event. Click [here](#) to check out photos from the day.

Did you miss the event? You can still help the community by fighting water pollution every day! Visit the [Burlingame pollution prevention page](#) for a list of 10 impactful ways to reduce water pollution in your home and community

## **Reminder of Leaf Blower Regulations**

Burlingame's beautiful trees are shedding leaves as we transition to fall, which is a busy time for leaf blowers. Please keep Burlingame's [Leaf Blower Ordinance](#) in mind:

- Commercial blowers may be used only ONE day per week, per area, with an extra day for buildings in R3 and R4 zoned areas on Fridays. [See map here](#).
- Residents may use their own blowers on Saturdays from 9:00 a.m. to 2:00 p.m. and Sundays from 10:00 a.m. to 2:00 p.m., as well as on their assigned weekday(s).

Leaf blower related complaints may be directed to the [City's Code Compliance Officer](#) at [norwitt@burlingame.org](mailto:norwitt@burlingame.org).

## **A Big Thank You From the Parks and Recreation Department**

The Parks and Recreation Department would like to extend a deep and sincere thank you to Girl Scout Troop 62112 for their recent addition of dog waste bag dispensers in Mills Canyon and Ray Park. The troop challenged themselves to take action and create a sustainable solution for an issue facing the community. After a hike in Mills Canyon, they settled on building leave a bag / take a bag dispensers for dog waste disposal. The girls collaborated with John Tust of Kids Carpentry to build four creative dispensers. The dispensers are now in service for park patrons to utilize. Thank you, Girl Scout Troop 62112, for your thoughtful contribution to the community!

## We Need Your Input!

The City of Burlingame is launching a pilot program to assist local restaurants in trying out reusable foodware for takeout orders. The City is working with [Reusable San Mateo County](#), a local advocacy organization, to recruit 3-4 Burlingame restaurants to join the pilot. Participating restaurants would offer their customers the option to use reusable food containers for takeout orders. When finished, customers can drop off the reusable containers at the restaurant or have them picked up from their doorsteps by [Dispatch Goods](#).

If you run a restaurant and are interested in being a part of this innovative pilot, or know a restaurant that would be a perfect fit, please get in touch! Complete this quick [survey](#) to share your thoughts.

This program is intended to reduce the increasing amount of plastic waste created by takeout orders.

Your help is appreciated, and please the lookout for cool reusable foodware coming to a nearby restaurant!

## A Shout-Out from the Parks and Recreation Department

Local Boy Scout Nico Armijo of Troop 156 recently approached the Parks and Recreation Department with a concern about a lack of bike racks for park patrons. Nico engaged in an audit of the City's parks and compiled an inventory of the quantity, type, and location of bike racks. This information will be added to the Department's asset management system and used to guide future park amenity improvements. For his effort, Nico will earn his Citizenship in the Community badge. Congratulations Nico, and thank you for your dedication to the community!

## 10th Annual Burlingame Disaster Response Drill

**Saturday, October 8, 9:00 a.m. - 10:30 a.m.**

Burlingame residents are invited to sign up by **September 20** for Burlingame's 10<sup>th</sup> annual Disaster Response Drill, which will take place in neighborhoods throughout the city from 9:00 to 10:30 a.m. on Saturday, October 8. The event is free, all supplies are provided, and you will be equipped with skills to help you survive a major disaster.

To sign up, send an email to [info@burlingamenetwork.org](mailto:info@burlingamenetwork.org) with your name and street address and indicate whether you want to lead a block or join another group. You will be contacted by a Burlingame Neighborhood Network (BNN) representative. There is no charge, and all supplies will be provided.

The drill is hosted by BNN and supported by the Central County Fire Department, the Burlingame Police Department, Burlingame CERTs, and local HAM radio operators. At this in-person, outdoor drill, participants will practice organizing in teams to help one another after a simulated earthquake and will learn how to report major incidents to a simulated emergency operations center.

No experience is necessary to participate. Neighborhood leads and anyone interested are invited to a drill walk-through training from 7:00 to 8 p.m. on Wednesday, September 21; the Zoom link is: <https://tinyurl.com/BNNWalk-Thru>. Neighbors assigned to help with communications are invited to a communications workshop from 7:00 to 8:00 p.m. on Thursday, September 2; the Zoom link [here](#). Both sessions are free and will be held online.

The drill will take place on multiple blocks throughout Burlingame. Adults and children 10 years and older can take active roles. Participants can lead a drill on their own block if they have at least eight participants, or they can join another block's drill.

For more information, visit <https://burlingamenetwork.org/all-news/sign-up-for-the-drill> or email [info@burlingamenetwork.org](mailto:info@burlingamenetwork.org).

## Community Updates (events/info. not sponsored by the City of Burlingame)

A large graphic for 'TDM Week 2022'. The background is a blurred image of yellow and blue structural elements, possibly a bridge or a large building. Overlaid on this is the text 'Commute.org' in a blue, sans-serif font at the top. In the center, 'TDM WEEK 2022' is written in large, bold, black capital letters. Below this, 'Transportation Demand Management' is written in a smaller, black, sans-serif font. In the bottom right corner, there is a green logo for 'ACT' with the text 'Association for Commuter Transportation' underneath it.

### Gear Up For TDM Week

Transportation Demand Management (TDM) is a way to shift how people commute. Traditionally, TDM has been defined as a set of strategies put in place to create a behavioral change in transportation habits. More simply, TDM aims to decrease drive-alone trips whenever possible. A small reduction in the number of drive-alone trips on San Mateo County's roads can lead to significant reductions in greenhouse gases and

congestion, resulting in cleaner air, improved public health, and costs savings.

In recognition of the importance of TDM, Commute.org's Board of Directors, representing 19 cities/towns and the County of San Mateo, proclaimed September 19 - 23 to be, "TDM Week 2022" in San Mateo County.

**How can you participate?** Request free transit tickets via Commute.org's Try Transit program. Commuters or college students traveling to or from San Mateo County are eligible for free tickets to try [SamTrans](#), [Caltrain](#), or San Francisco Bay Ferry if they currently drive alone.

Another way is to create a free account on Commute.org's STAR platform. With a STAR account, commuters can find carpool partners, receive incentives for non-drive alone commutes, and qualify for the countywide Guaranteed Ride Home program.

To learn more about TDM in San Mateo County, as well as what is happening in the Bay Area for TDM Week, please visit the agency's website ([Commute.org](#)). Together, we can change the San Mateo County commute

## **NAMI San Mateo County First Ever In-Person Walk Sponsored by Well Loved Local Michael and Sally Mayer Family Foundation**

NAMI San Mateo County's (NAMI SMC) first ever in person walk has an amazing presenting sponsor – The Michael and Sally Mayer Family Foundation. Sally Mayer has been a long-time member and supporter of NAMI SMC, the founding affiliate of the entire National Association for Mental Illness. Their incredible donation is helping thousands of families and persons affected by mental health conditions every year. Both Sally and Michael have been long time Hillsborough residents and incredible advocates for services for both individuals and families living with mental illness.

NAMI SMC has been helping county residents for 48 years, and they are using this walk to bring the issues of stigma surrounding mental illness to the forefront. They offer weekly and monthly classes and support groups in both English and Spanish. Every year, the event, NAMIWalks Your Way raises funds for NAMI's free top-rated programs, amplifies awareness to eliminate stigma, and strengthens the ever-growing mental health community.

Come join the event on October 8 at 10 a.m. in Seal Point Park in San Mateo. You will be joining hundreds of others who are standing up for this new day in mental health. Mental illness affects everyone, regardless of skin color, sexual orientation, income level, etc. To join NAMIWalks Your Way, visit [namiwalks.org/sanmateo](https://namiwalks.org/sanmateo). There is no registration fee, but fundraising is encouraged. Participants who raise at least \$100 & register for the walk will receive an event T-shirt. One hundred percent of the funds raised support NAMI San Mateo County's free local mental health programs, resources, and services.

NAMI SMC is here for the community – let's have the community step up for NAMI SMC on October 8.
