

## Storm Drain Measure Oversight Committee Vacancy

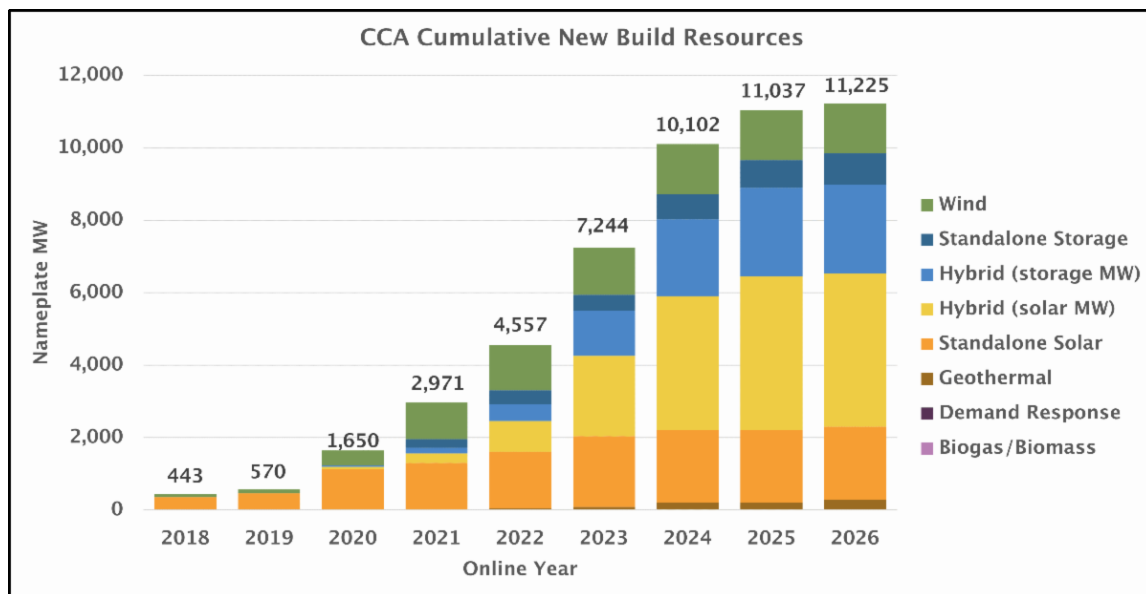

The City of Burlingame is currently accepting applications for a vacancy on the Storm Drain Measure Oversight Committee.

In May 2009, voters approved a ballot measure to collect storm drain fees in order to upgrade the storm drainage system, alleviate chronic flooding, and protect public health and safety. The ballot measure required the creation of a citizens' oversight committee, to ensure funds collected from the storm drain fees are spent only on the storm drainage program.

The Storm Drain Measure Oversight Committee consists of three members and generally meets once a year. To apply, please complete the application and supplemental questionnaire, which can be found at: <https://www.burlingame.org/sdoversight>. Completed applications can be emailed to [sbrewer@burlingame.org](mailto:sbrewer@burlingame.org) or sent via mail to the Department of Public Works, Attn: Stephanie Brewer, 501 Primrose Road, Burlingame, CA 94010. The application deadline is Wednesday, November 30, 2022.

## Clean Energy for Our Future

Peninsula Clean Energy (PCE), in partnership with other California community choice energy providers (CCAs), has secured 11,000 megawatts of new clean energy sources to power our future. Long-term power purchase agreements secure a mix of renewable energy sources, including new solar, wind, energy storage, geothermal, demand response, and biogas projects. These projects will advance California's transition to a carbon-free electricity supply. PCE currently provides 100% carbon free electricity to customers and is expected to continue expanding its clean energy portfolio. For an infographic on clean energy throughout California, click [here](#).

## Try-out an Induction Cooktop

You are invited to try-out a portable induction cooktop and find out why people are raving about induction cooking.

An induction cooktop is a safe and high performing cooking surface that uses electric induction technology to warm cookware. In comparison to gas cooking, induction cooktops heat up faster, are more energy efficient, create less indoor air pollution, and pose less of a fire risk. Learn more [here](#).

Sign up here to borrow an induction cooktop and compatible pan for up to two weeks.  
Check out [this introductory video](#) and get cooking!

## The Fresh Market!

Sundays, 9:00 a.m. - 1:00 p.m.  
Park Road at Burlingame Avenue

Please continue to follow these important tips for shopping  
the Fresh Market:

- **Leave your pets at home, please.** By order of the San Mateo County Health Department, **no dogs are allowed** in Burlingame's Fresh Market.
- Come to the market in good health; please stay home if unwell.
- Wash hands/ refrain from touching your face.
- Wash all produce before consumption.

## Community Updates (events/info. not sponsored by the City of Burlingame)

---

### **Thank you to the Downtown Business Improvement District (DBID) and Scout Pack 128!**

The DBID generously supplies the American Flags that are flown on Burlingame Avenue on certain federal holidays. On Veterans Day, Scout Pack 128 (pictured above) volunteered to put up all of the flags in the morning and take all of the flags down at night. Thank you so much to the DBID and Scout Pack 128 for helping Burlingame honor veterans!

## Community Meetings – Help the Department of Housing Determine Housing and Community Development Needs

**Multiple Meetings at Locations Throughout the County; [Click Here](#) for More Information**

The County of San Mateo is updating its Consolidated Plan and HOME-ARP Plan, which will address housing and community development needs throughout the county. The County needs your input to ensure these plans accurately reflect the needs of the community. Come share your thoughts and weigh in on how the County should prioritize funding!

Please complete the survey linked to [here](#), or use the QR code above. The County will analyze survey responses, as well as input received at community meetings, to inform updates to the plans.

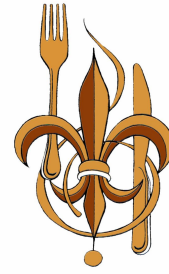

---

## Get Your Booster Today!

If you're 12 years or older and completed your original doses of the COVID-19 vaccine, you **SHOULD** get the updated booster dose. It protects people against both the original strains of the virus and the Omicron variants that have been spreading this year. The booster dose is now available for Californians ages 12 and up, who have already completed their original vaccine series. To schedule an appointment, visit <https://myturn.ca.gov>.
