Women - we need your input! We are working to grow the number of women sports coaches and assistant coaches in our community and want your perspective.

Doug Friedman, who was a resident and long-time coach for his daughters, passed away in August of 2020. Doug benefited from both playing and coaching sports, and as an advocate of the women around him, encouraged women to join him to coach. In his memory, his family created a fund through the Burlingame Parks & Recreation Foundation to build on his legacy and grow the number of awesome women coaches and assistant coaches coaching our kids. We need your input. Whether you've played sports or not, have kids (or grandkids) or not, ladies - please take a few minutes to fill out this brief 5 minute survey. Thank you!
