## Notice of Fuel Reduction in Mills Canyon

The City of Burlingame Parks and Recreation Department has partnered with CAL FIRE work crews to reduce the fuel load in Mills Canyon. Work is scheduled for every Wednesday and Thursday in June. The crew will be removing dead vegetation, low branches, invasive species, and other materials that significantly contribute to the fuel load. On these dates, the Ed Taylor Loop Trail will be closed from 9:00 a.m. - 3:00 p.m. Please do not record, photograph, or speak to the work crews while they are working. If you wish to speak to someone on-site, please speak to City staff that are on-site or the CAL FIRE Captain.

You may also contact Richard Holtz at [rholtz@burlingame.org](mailto:rholtz@burlingame.org) for more information.

Thank you for your understanding as the City works to improve the safety of Mills Canyon.

## New Water Use Restrictions

WATER SHORTAGE EMERGENCY DECLARED

### THESE MANDATORY RESTRICTIONS ARE IN EFFECT:

No outdoor watering that causes runoff onto walkways or other hard surfaces.

No driveway or sidewalk washing unless for immediate health or safety concerns.

Restaurants and food service operations must serve water upon request.

Sprinkler irrigation is limited to two days per week and between 6:00 p.m. to 8:00 a.m.

No watering of "non-functional turf" at large commercial, industrial, and institutional sites.

## New Water Use Restrictions in Effect

On June 6, the Burlingame City Council declared that a water shortage condition exists

and adopted new water use restrictions from Level 1 and Level 2 of the Water Shortage Contingency Plan. The following restrictions are now in effect:

- Potable water shall not be used to water outdoor landscapes in a manner that causes runoff onto non-irrigated areas, walkways, or other hard surfaces.
- Potable water shall not be applied in any manner to any driveway or sidewalk, except when necessary to address immediate health or safety concerns.
- Restaurants and other food service operations shall serve water to customers only upon request.
- Residential and commercial landscape using overhead sprinkler irrigation with potable water is prohibited between the hours of 8:00 a.m. and 6:00 p.m. and no more than two (2) days per week. Drip, bubbler, hand-watering with a shut-off nozzle, other water-efficient irrigation systems, and new landscaping installed in the plant establishment period (typically less than two years) are exempt.
- Prohibit installation of single-pass cooling systems.
- Prohibit vehicle washing except with the use of recycled water.

Visit the City's [Water Use Restrictions](#) webpage to learn about these new regulations and [Conservation Tips](#) to learn how you can save water.

## Watch Out for the Upcoming Tree Removal

June 8 - 10

From June 8 through June 10, a large tree on the corner of Burlingame Avenue and Myrtle Road will be removed. The street will be closed in front of the portables. Please find alternative routes to avoid congestion and delays.

## Announcing the Burlingame Public Library Summer Learning Challenge

A great way to ensure that your kids keep reading is to have them take the Summer Learning Challenge at the Burlingame Public Library. This year's theme is *A Summer to Explore*. Children and teens get a free book when they pick up their first reading log. All children and teens finishing the program have a chance to win a \$1,000 college scholarship. Children receive another free book when they finish the program and teens receive a \$10 gift card for Barnes and Noble. Kids can play book bingo for a chance to win a big stuffed wolf!

Visit the library during the month of June for a chance to win a family membership to CuriOdyssey and a San Mateo County Parks yearly pass. Enter this giveaway with each library visit.
