CALTRAIN ELECTRIFICATION

PARALLELING STATION CONSTRUCTION NOTICE

Caltrain is beginning construction of the first main gantry structure at the Paralleling Station facility currently under construction in Burlingame. Gantries are H-frame steel structures that support wires perpendicular to the tracks. These wires connect to the overhead contact system and provide power to the trains. The main gantry will be housed within the footprint of the facility near the transformers. The other gantry will be located on the opposite side of the tracks from the facility. A sample photo of a main gantry is located on the reverse side.

The Paralleling Station is an unmanned facility that will regulate electrical power to the electric trains. In addition to the gantries, the Paralleling Station will consist of:

- One transformer- The transformer will take in and convert power to ensure it is consistently sent out throughout the system.
- Control House - Located within the facility footprint, housing the controls for the system.

CONSTRUCTION ACTIVITIES

In addition to delivery of and installation of gantries via a crane, construction activities during this time will include excavation, laying of a concrete pad, control house construction, transformer delivery. Crews will utilize excavation equipment, and dump trucks for removal and delivery of materials.

A majority of the work will take place during the weekday between 6 a.m. and 3 p.m. There may be night and weekend work required when work is being completed within the railroad track envelope.

Check out a Home Energy & Water Saving Toolkit

Start saving water and energy in your home with a DIY toolkit offered at the Burlingame Main Library. Residents may loan out the toolkit filled with free equipment for residents to keep. The kits include:

- LED light bulb
- Weatherstripping
- Outlet gaskets
- A low-flow showerhead
- Faucet aerators

The kit also contains very cool household tools (that must be returned with the kit) such as

a Kill-A-Watt meter to check the energy use of appliances and an infrared laser thermometer to check for heat loss.

See all the kit contents [here](#). Visit the Burlingame Main Library information desk to check out a kit.

Sign up for the "Burlingame Gazette" and get the most current information on senior events, programs, and resources. Click on this "button" to send an email to nhoughton@burlingame.org, or call the Burlingame Recreation Center at 650-558-7300 to get the "Gazette" mailed to your home or delivered to your email inbox.

Burlingame is proud of our employees. If you think so too, we'd love to hear from you! Click here to send an email to EmployeeRecognition@burlingame.org if an individual or department has gone above and beyond for you!

LEADER IN TRAINING Workshops

The Burlingame Parks and Recreation Department is excited to offer teens 3 interactive workshops this Spring. Interview preparation for teens can be pretty intimidating and nerve-wracking, especially if it's your first time, but it doesn't have to be! Our staff will provide tips and tricks to help your teen prepare for their next interview. Whether it's a scholarship, volunteer opportunity or first job - we are excited to help prepare them.

Ages 12-18 | \$20R/\$22NR | Recreation Center | #P2299930

Leader in Training (L.I.T.) - Applications Available Now

Application deadline - Friday, April 15, 5 p.m.

The Burlingame Parks and Recreation Department looks forward to another summer of fun, and we hope teens 7th-12th grade will join us! This year, L.I.T.'s will volunteer from 10 a.m. to 2 p.m. Parts of the week may include time volunteering in: Adventure Camp, Senior programs, Parks, and Lunch Adventures. Teens will also participate in team building exercises. A schedule with program information will be sent to the participants prior to their assigned week. All hours volunteered count towards community service. The L.I.T. program helps teens develop leadership skills, and gives participants hands-on work experience.

All applicants need to complete the application and will participate in an interview process. To apply, teens must complete the L.I.T. application for Summer 2022. The application can be found [here](#).

CALLING ALL ARTISTS

STORM DRAIN MURALS CONTEST

Submit your design for a chance to have your artwork printed on a mural displayed in Burlingame.

ENTER BY APRIL 30, 2022 AT WWW.BURLINGAME.ORG/MURALS

Storm Drain Murals Contest

Submissions Due April 30, 2022

Calling all artists! The City of Burlingame is launching a new Storm Drain Murals Pilot Project and is seeking digital artwork for these murals. Since storm drains often go unnoticed, the murals provide a unique learning opportunity to educate the public about the importance of preventing litter, pet waste, and other pollutants from entering these drains. Submit your designs in the Storm Drain Murals contest for a chance to have your artwork displayed in Burlingame. To learn more about this contest, visit www.burlingame.org/murals.

2022 Burlingame Business Landscape Award

2021 Winner - Stacks

Nomination
Form

The Business Landscape Award is presented annually to an occupied local business that has designed and landscaped their property to maintain and beautify the City of Burlingame.

This has been a difficult year for our businesses. If you know of a business that has gone the extra mile to make their landscaping attractive, please nominate them for this award!

Presented by:

THE BURLINGAME BEAUTIFICATION COMMISSION

The award is presented at a City Council Meeting

Deadline for Nominations: June 1st, 2022

Overnight Closure of Southbound U.S. 101 (from South Airport Boulevard to San Bruno Avenue)

Sunday, April 10, 1 a.m. to 6 a.m.

As part of the San Mateo 101 Express Lanes Project, Caltrans is replacing overhead sign structures (that span the width of one side of the freeway, from the shoulder to the median) on U.S. 101. This work requires large flatbed trucks to deliver the sign structures and cranes to hoist them into place from the center of the freeway. Therefore, it will be necessary to close one direction of the freeway at a time for up to five hours.

Existing sign structures are being replaced by wider structures that can accommodate the new Express Lanes throughout the corridor.

Motorists will be directed to exit the freeway in advance of the closed sections, and detour signs will be in place to clearly guide them through city streets until they are able to get back on the freeway. Detour routes have been carefully selected with input from local jurisdictions in an effort to minimize impacts to nearby residents. The detour map below provides the exact detour route.

Sustainable San Mateo County Announces 2022 Award Recipients

Wednesday, May 11, 6 p.m. - 7 p.m.

Sustainable San Mateo County (SSMC) will honor four local sustainability champions at its 23rd Annual Awards Celebration on Wednesday, May 11, for their contributions to sustainability in San Mateo County. They are:

- Each Green Corner
- Kalimah Salahuddin
- Seamless Bay Area
- Robert Whitehair

SSMC and the American Institute of Architects, San Mateo County Chapter, will present the Green Building Award to the Marshall Medical Offices on Kaiser Permanente's Redwood City campus. The All-Electric Leadership Awards, sponsored by [Peninsula Clean Energy](#), will recognize builders, property owners and design teams on the forefront of building electrification in San Mateo County.

State Senator Josh Becker will emcee the evening program on May 11 with former Menlo Park Mayor Kirsten Keith. It will take place on Zoom from 6 to 7 p.m. Sponsorships are available; visit <https://sustainablesanmateo.org/sponsorship-opportunities> for details.

SSMC's Third Annual Virtual Auction will kick off on Wednesday, May 4, and conclude on May 15. Proceeds will benefit SSMC, a 501(c)(3) nonprofit dedicated to accelerating sustainability in San Mateo County.

Admission to the Awards Celebration is free, but pre-registration is required at https://bit.ly/SSMC_Awards_2022.

COVID-19 Testing

Self-collected, shallow nasal PCR test

Results within 1-2 days upon receipt of the sample at the lab

No cost to insured or uninsured. If insured, please have your information ready.
