Reminder to Conserve Water

The Bay Area remains in a drought due to three years of less than average rainfall. The [California Water Watch](http://CaliforniaWaterWatch.org) website tracks and shares information on the state's water supply conditions – check out Burlingame's water statistics [here](#). Water customers are asked to remain vigilant, particularly regarding outdoor water use. For more information, [click here](#).

Third Annual Graduation Celebration!

What began during the pandemic as a way to recognize our students' accomplishments has turned into an annual event!

We would like to help our community celebrate all the accomplishments and future plans of our students graduating from high school and college. So, on May 26, the City's social media will be dedicated to recognizing our graduating students!

To participate, send City Clerk Meaghan Hassel-Shearer (mhasselshearer@burlingame.org) a picture of the graduating student along with some fun facts and what their plans are for next year.

Please share this information with your friends and family in order to ensure that as many students as possible are recognized.

CALTRAIN ELECTRIFICATION

Burlingame Crossing Closure Notice

Caltrain will be performing signal cutover work at 17 grade crossings in Burlingame and San Mateo through May 20. On May 14, Caltrain will perform grade crossing cutover and installation work in Burlingame that will require the temporary closures of the Bayswater Avenue and North Lane railroad crossings to vehicle and pedestrian traffic. The Morrell Avenue pedestrian crossing will also be closed during construction.

NOTE: Crossing gates will not be activated at all railroad crossings in San Mateo and Burlingame during this time, but flaggers will be present to direct traffic through all other intersections.

Bayswater Avenue, North Lane, and Morrell crossings:

- Saturday, May 14 at 12:01 a.m. to Sunday, May 15 at 8:00 a.m.

Bayswater Avenue, North Lane, and Morrell crossings:

Between May 15 and May 20, testing will occur that COULD result in additional closures. Please watch for traffic signs and flagging staff.

CALTRAIN SERVICE INFORMATION

Temporary service changes in the weekday morning and late afternoon schedules (5:30 a.m. - 9:00 a.m. and 3:30 p.m. - 7:00 p.m.) will be in effect. The work will require a reduction in peak-hour service and suspension of Baby Bullet service. The current 104 weekday trains will be reduced to 88. Weekday midday and evening service as well as weekend service remain unchanged. For more information on service changes, please visit www.caltrain.com/May2022.

Trains are single-tracking through Broadway, Burlingame, San Mateo, Hayward Park, and Hillsdale stations for three weeks, which affects passenger boarding. Riders using those

stations should pay attention to signage and announcements to make sure they are waiting at the correct platform.

Surprising Recycling Facts

Sharpen your recycling habits and check out our list of surprising items that can actually be recycled or composted instead of trashed:

- **Wine corks** made from real cork (vs. plastic) go in the green compost bin.
- **Cardboard pizza boxes and ice cream containers** go in the green compost bin.
- **Light bulbs and batteries** never go in the trash bin. Instead take them to Home Depot, Target, or any location with designated recycling bins.
- **Plastic bags** can be recycled at designated recycling bins in Safeway, Burlingame City Hall, and the Main Library.
- **Electronics** should stay out of the landfill and be taken to [Green Citizen](#) or the [Shoreway Environmental Center](#) to be recycled.

Be aware of confusing recycling [symbols on plastics](#). The chasing arrow-triangle (pictured below) on the underside of plastic products indicates the type of plastic it is made from and does not mean the item is recyclable. Plastics #1 and #2 (like water bottles and laundry detergent bottles) are generally recycled. Plastics #3-7 are very difficult to recycle. Avoid these plastics when possible since they end up in landfill.

May is Bike Month

Celebrate Bike Month by riding [wherever](#) – to shops, parks, school, work, or just around town. Some ways to enjoy biking in Burlingame:

- Find the Fix-it station with tools to fine tune your bicycle. There is a Fix-it station by

the Burlingame Main Library and at Burlingame Point.

- Utilize one of Burlingame's many bike lanes, including one on Carolan Avenue and one on California Drive
- Ride along the Bay Trail and enjoy beautiful views and [coffee stops](#).
- Try out the electric bikes for rent at participating hotels (Embassy Suites, Marriott SFO, Hyatt, and DoubleTree)

Remember to stay safe. Wear a helmet, ride in bike lanes or on shared roadways, and keep an eye out for cars and pedestrians.

Burlingame is proud of our employees. If you think so too, we'd love to hear from you! Click here to send an email to EmployeeRecognition@burlingame.org if an individual or department has gone above and beyond for you!

SolMateo Celebrates Milestone Event: The 40th Signature Kitchen Tour!

Hillsborough, CA - On May 13, 2022, SolMateo will present its 40th Signature Kitchen Tour, giving home design enthusiasts a chance to tour five beautiful private homes in Burlingame, Hillsborough, and San Mateo Park. This self-guided tour showcases some of the Bay Area's most inspiring design talents and stunning homes. Guests will have the opportunity to view beautifully designed kitchens and gardens, sample morsels of delicious food, and view local floral designers' and artisans' work. The Tour is a fun-filled event that guests look forward to every year.

The 40th Signature Kitchen Tour is chaired by SolMateo member Sara Furrer, who said, "with each Tour we strive to highlight new architectural trends in the industry and treat participants to unique vendors." This year, SolMateo is pleased to feature a home with an ADU (Accessory Dwelling Unit) and merchants selling everything from custom stationery to artisanal cookies. "It's a wonderful opportunity to spark ideas for your own property, spend time with friends and family, and support mental health in our community," said Sara.

SolMateo is a volunteer group committed to shining a light on mental health in San Mateo County. "Our membership shares a passion to destigmatize mental illness and support our neighbors," said Jenny Smith, SolMateo Co-President. Since 1976, SolMateo has raised over \$2.7 million and helped fill the funding gap for critical local mental health organizations including the Crisis Intervention and Suicide Prevention Center of StarVista and Mental Health Association of San Mateo County.

"By raising money and awareness for organizations that provide essential services like suicide prevention hotlines, emergency housing for homelessness, and counseling services, SolMateo strives to help neighbors obtain important resources in times of need," said Nancy Minnig, SolMateo Co-President.

Kitchen Tour Tickets - \$60 in advance/\$70 at the door. Available online at [Eventbrite](https://www.eventbrite.com) or solmateo.org and at Draeger's in San Mateo after April 15.

Family Fun on the Nature Trail

Sunday, May 15, 11:00 a.m.
