May 1, 2020

To: Cascade Town Board members, Clerk, Assistant Clerk, any other persons associated with Cascade Township including the Joint Powers Road Maintenance Supervisor, members of the TCPA, or anyone with township matters to be discussed or resolved, and the general public:

The Cascade Town Board meeting scheduled for Monday, May 11, 2020, at 6:00 p.m. in the evening will be held as scheduled. The meeting will be both in-person and call-in as we have practiced in the recent past. Information gained as of yesterday from the State allows the meeting to be a “mix and match” of both methods. In other words, anyone wishing to attend the meeting in person will be allowed to do so. If you are uncomfortable attending the meeting in person, you can call in the using the number and access code listed below to tune into and/or comment as the meeting progresses.

We will be set up in the larger conference room at the town hall, so that social distancing can be maintained. I will leave the wearing of masks optional for each person attending the meeting in person; however, if you have any health issues that are of concern related to the COVID-19 virus or in general, I would encourage the call-in method of attending this meeting or masks be required in that case. I would hope each person who might attend the meeting in person be responsible for the health and safety of themselves and others around them.

I will be there in person as well as the clerk for the duration of the meeting. As noted above anyone who wishes to attend the meeting in person is invited to do so. We will update this notice if and when further information requires us to do so. Please note the agenda on our website which is www.cascadetownship.us.
