

Burning Permit Information:

Going forward Cascade Residents are asked to purchase burn permits through the DNR online system @ <https://webapps15.dnr.state.mn.us/burning-permits/permits/new>

For DNR Burning Permit information by County and FAQ's go to <https://www.dnr.state.mn.us/forestry/fire/questions.html>

Important:

1) You may not conduct your burn until you have requested activation as instructed on your permit. You may activate on-line during your application process, or by calling 1-866-533-BURN(2876). *You will receive an activation code that you must write on your permit in the space provided.*

2) Contact your local fire department dispatcher at 507-285-8963 upon each activation of your DNR-issued burning permit.
