Members present were: Chairman Laures, Supervisor Arlen Heathman, Supervisor Harold Atkinson, and Clerk\Treasurer Michael Brown

Township Board Special Meeting Business.

The Cascade Town Board met in a special session to discuss the unresolved issue raised by Mathy Construction concerning what they believe to be a grandfathered non-conforming use for the quarrying of a property in Cascade Township north of 55th St. The issue arises due to a memo prepared by Olmsted County prior to assumption of Planning and Zoning authority by the township. The clerk distributed copies of a letter prepared to send to the township attorney outlining the issue, stating the known facts, presenting a set of options, and presenting a set of associated questions. The draft letter requests a legal opinion.

- A motion by Supervisor Heathman to authorize the transmission of the draft letter to the township attorney with an additional question regarding the possible expansion of the non-conforming use generated by the county letter. Second by Supervisor Atkinson.
