All in attendance drove all Cascade Township roads, ranking them in order of need for 2017. After driving all roads and assessing lifespan of all roads, a discussion was held at the town hall.

It was recommended that the order of priority for 2017 is as follows:

- 7th Street NW from TH14 - Rochester city limits will be reclaimed, paved and shouldered at an approximate cost of \$111,109.79.
- Hadley View Court NW from Hoffman 55th Street project to the cul-de-sac will be overlaid and shouldered at an approximate cost of \$12,499.57.
- 68th Street NW will be overlaid at an approximate cost of \$58,477.50.

- Autumn Court at 68th Street NW approximately 450 feet by 24.5 feet will be overlaid at an approximate cost \$10,214.61.

Total approximate cost of these repairs is \$212,533.06.

The remaining balance of the budget (\$63,866.94) will be used for miscellaneous paver patches throughout the township and in the Chippewa neighborhood for as much crack filling and seal coating as the budget will allow.
