

## **NOTICE OF TEMPORARY OFFICE CLOSURE**

In order to better serve our clients and guests, improvements to the reception area are scheduled to begin on August 28, 2023.

The public is advised that the Chesapeake Redevelopment and Housing Authority (CRHA) Central Office, located at 1468 South Military Highway, will be temporarily closed effective Monday, August 28, 2023. Renovations are anticipated to span over several weeks.

While under construction, reception and intake activities will be temporarily relocated to the Broadlawn Resident Council Office located at 1745 Acorn Street, Chesapeake, VA 23324 (modular building to the right of the management office).

We apologize for the inconvenience and look forward to serving you in our newly improved Central Office once renovations are complete.
