

## David Hamilton

### Contact Information:

**Phone: 586.930.5278**

**david.hamilton@troymi.gov**

### Employment:

David currently works for Ford Motor Company in Dearborn as a Research Engineer, specializing in innovation with Connected Vehicles. He's worked on driving simulators, semi-autonomous vehicles with advanced safety technology, and has several approved patents.

### Education:

David received a Bachelor of Science from University of Michigan in Electrical Engineering (Magna Cum Laude). He is a proud graduate of the Troy School District, attending Martell Elementary, Smith Middle, and Troy High School for all of his early education.

### Community Involvement:

Elected to Troy City Council in November 2017

David currently serves on the Troy Employee Retirement System, Retiree Healthcare, and Voluntary Firefighter Incentive Plan boards for the City of Troy.

### Personal Information:

Married to Stephanie in April 2017. They first met at the old Big beaver Tavern in Troy. Has lived in Troy for 27 years, from the day he was born until he moved to Ann Arbor to attend UofM.
