

# *Global Businesses Love Troy!*

Troy is home to a vibrant and diverse international community that welcomes businesses from all over the world.

Troy is the proud home to more than 200 foreign based companies. The range and quality of automotive, R & D, and technological infrastructure in this area is second to none.

Companies large and small, in a variety of industries find that Troy offers an ideal location, unsurpassed City services and a welcoming business environment. Our top ranked schools, low property tax rates, and world class shopping and restaurant options help to provide an outstanding quality of life for both businesses and residents alike.

Join global companies like Magna, Toyoda Gosei, NS International, LG Chem Power, and many others here to discover what Troy can offer your business.

*The welcome mat is out!*
