

Troy Trails

Sylvan Glen Lake Park

9.14.2020

Strategy, Budget, and P&R Master Plan

2019 Strategy: Re-evaluate the Trails & Pathways program with a focus on public participation and creative problem-solving to build community support.

P&R Master Plan: Develop comprehensive trail and pathway system throughout Troy. Add internal park trails and develop non-motorized network to connect Troy parks and amenities. 75% of survey participants would like to see trail network developed.

Budget FY 20/21: \$750,000 in Capital for Trails & Pathways

Phase 1

P. Terry & Barbara Knight Park to Wattles

Phase 2

**Green Space
Subcommittee
Recommendation:
Develop Sylvan Glen
Lake as the premier
park of the city with
recreational activities.**
