Fatal Crash – South I-75 and Maple Rd

Troy, MI – On September 15, 2025, at approximately 11:19 p.m., Troy Police officers were dispatched to southbound I-75, south of Maple Road, for a single-vehicle crash involving an ejection.

A white BMW, traveling at a high rate of speed, lost control and left the roadway to the right. The vehicle entered a ditch and hit a tree behind the parking lot of 600 Stephenson Highway.

The driver, a 21-year-old male, was ejected during the crash. Officers initiated CPR on the driver before he was transported to a local hospital, where he was later pronounced deceased.

A 19-year-old male passenger sustained injuries and was also transported to the hospital for surgery. He is reported to be in stable condition and expected to recover.

Preliminary investigation indicates excessive speed was a contributing factor.

The South Oakland County Crash Investigation Team (SOCCIT) responded to the scene. Three lanes of southbound I-75 were closed for several hours during the investigation. The scene was cleared at approximately 3:00 a.m.
