Emergency Contact Form

Troy Fire Department

P: 248.524.3419
F: 248.689.7520

This information is being requested to update our files. Troy City Code, Chapter 103, Section 10, Paragraph A, requires alarm users to register their systems and provide a list of contacts to be summoned in the event of an alarm activation. *A contact listed below may not be required to come to an incident*, but is able to reach out to a person(s) who has(have) knowledge of the facility, its alarm system, and its hazards, and will be available to assist the fire department.
