Hazardous Materials Permit Application

Fire Prevention Division

P: 248.524.3419

This permit application is for the storage, dispensing, use, or handling of hazardous materials as described in Chapter 93, Fire Prevention of the Troy City Code. A Hazardous Materials Inventory Statement (HMIS) and a site plan indicating location of permissible material must be submitted with this application. This is an annual permit. An application fee will be invoiced upon receipt of this application and must be paid for the application process to proceed.

Date: _____ Facility Name: _____

Street Address: _____

City: _____ State: _____ Zip Code: _____

Explanation of fees:

Initial Application Fee \$250.00 (Plan review and 2 site visits)

Additional site visits or plan reviews \$90.00 (Invoiced as required)

Annual Renewal \$100.00

(Annual renewal fee applies when the application is submitted prior to the expiration of the current permit and there are no changes in substance amounts or locations. Applications received after the expiration of current permits will be treated and invoiced as new permit applications).
