A Note From The City Administrator

Hard to believe summer is almost here. As such, there are things to look forward to. The 5th season of the College Place Farmers & Artisans Market begins on Thursday, May 27th. It will go every Thursday through the end of September from 4 to 7 PM at Lions Park (801 SE Larch). To sign up as a vendor, or for general information please visit: http://www.cpwa.us/residents/events/farmers_and_artisans_market.php. We also welcome Shelli Williams as the new Farmers Market Manager. She comes to us from the Puyallup Main Street Association. Welcome to the City Shelli!

The City is once again partnering with United Way of the Blue Mountains and Campfire to offer a Summer Camp at Kiwanis Park. The program will go from 7:30 AM to 5:30 PM from June 21st through August 27th at Kiwanis Park adjacent to Davis School. To sign up, please visit this website: <https://www.wwcampfire.org/>.

The City plans on reopening the lobbies of city facilities to limited walk in traffic on Monday, May 3rd at 8 AM. Please follow the posted COVID-19 protocols. The lobbies at that point will remain open unless the Walla Walla County declines to Phase Two or regulations from the State change. Please re-member, a lot of city services can be conducted through our website or by phone. Staff phone numbers and emails can be obtained via this webpage: http://www.cpwa.us/staff_directory/index.php.

A lot of City projects are active at the moment:

- Southwest Wastewater Trunk Line: The base of the lift station has been poured. The contractor is starting to lay pipe and is awaiting delivery of manhole construction materials. Information on this project can be found here: http://www.cpwa.us/residents/southwest_college_place_wastewater_trunk_line.php.
- SE Meadowbrook Blvd Resurfacing: This state grant funded project is complete thanks to the expeditious work of Central Washington Asphalt.
- NW Destito Stormwater Work: New piping has been installed. The contractor is in the process of installing the stormwater filtration equipment mandated by the State. This project should wrap up in mid-May. The website is here: http://www.cpwa.us/residents/nw_destito_stormwater_system_replacement.php.
- Central College Place Sidewalks: This State CDBG grant funded project which involves building sidewalks along SW Davis, SW Bade, and SW 12th will be awarded by Council to the contractor at the April 27th meeting. Construction will begin soon after. The project webpage is: http://www.cpwa.us/residents/central_college_place_sidewalks.php.

Enactus Community Garden

The Walla Walla University Enactus team is excited to announce the opening of a community garden in College Place. The garden is located on a beautiful piece of property right beside the fire station and the \$50 lease fee covers the use of the plot and water for the gardening season. The purpose of this garden is to bring the community together and give people an opportunity to foster a garden without having to worry about finding space on their own property. If you're interested in leasing a garden bed this season, sign up at <https://forms.gle/iKtU4YbVvHzYzntR6>. For more details, email www.enactus@gmail.com.
