## Art Programs by Enable Art®

Located in College Place, WA

### EVENING ART CLASSES

These classes happen weekly and were created to teach people of all ages, at any artistic level, how to be creative in a fun and relaxed environment. These classes are open to the wider community and are for people who are looking to stretch their creativity.

These classes are adult classes but children 12+ are allowed to come as long as parents or guardians attend class WITH them.

Classes are \$40 per person  
(Ask about our Gold Brush Membership)

### AFTER SCHOOL ART CLASSES

These After School Art Classes start the beginning of September and go through May! Classes for kids and youth run Tuesday-Thursday 3:15-5:00pm. Students are welcome to come once a week or all week.

These classes teach students how to create beautiful projects while using high quality art supplies. These classes are a blast for young artists since they are in a creative space learning about art with other students that are just as excited to learn! Kid's classes average out to about \$16 an hour per kid, while youth programs average out to \$17.5 an hour per kid (before tax). In these classes, all supplies and snacks are included in the final price.
