Larry Dickerson

### City Administrator

Mike Rizzitiello

## Mayor's Message

Summer's here, I'm looking forward to a great one. Our Public Works Department is taking advantage of the great weather and performing our annual chip sealing, keeping our streets in great condition. The Police Department is taking part in a special emphasis program focusing on seatbelt use, buckle up and stay safe this summer. Later this year look for an electric vehicle charging kiosk at the Shell Station at 4<sup>th</sup> and College. A partnership with Columbia Rural Electric Cooperative and Walla Walla University will place one in the heart of the City. We're planning a fireworks show in conjunction with Walla Walla University on July 9<sup>th</sup>; we didn't want to compete with other shows on the 4<sup>th</sup> so we've scheduled ours a little later. Look for an opportunity to plan for the City's future, this year we're working our next 10-year comprehensive plan, stay tuned for more information. While not in College Place the City of Walla Walla's newly remodeled and expanded Memorial pool is open and is available for those of us who live in College Place at the same cost as everyone; please take advantage of this recreational opportunity. Stay safe this summer.
