**SPRING CLEANING**

The condition of all properties within the City of College Place represents the community as a whole and the livability and enjoyment of our neighborhoods. In an effort to encourage voluntary clean-up, folks are asked to look around their property and get rid of junk, debris, old appliances, abandoned vehicles and trash. This also includes mowing weeds and removing immobile vehicles, trailers, and boats etc. from the public rights of way. Immobile vehicles or project vehicles are required to be stored inside a garage that is enclosed on all sides. Temporary structures such as portable carports are required to meet front yard setbacks and are not allowed in driveway or front yards.

A nuisance abatement focus is currently underway and may result in letters to homeowners with code violations. Please be proactive and make a difference in your neighborhood. If you have any questions about the Nuisance Ordinance, College Place Municipal Code 8.24, it is available on-line at [http://www.municode.com/library/WA/College\\_Place](http://www.municode.com/library/WA/College_Place) or you may call 525-0510.

**YARD SALES**

Yard Sales are a favorite summer activity for a lot of people and a great way to rid yourself of unwanted stuff. Please keep the following in mind when conducting a yard sale:

- Do not attach yard sale signs to utility poles, street signs or place them in the right of way.
- If the signs are placed on private property, other than your own, get permission from the property owner.
- Pick up signs when the yard sale is complete.
- When the sale is complete, clean up the remnants of the sale.
- Holding a continual summer yard sale becomes a business and is not appropriate for a residential neighborhood.
- Be considerate of your neighbors.
