The College Place Police Department is investigating the burglary of a College Place residence targeted twice during the same week. The first burglary occurred on January 8th when the suspects entered an unlocked door to the garage around 4:30 AM. The second incident occurred on January 12th at around 4:45 AM. The homeowners were home during both incidents. The residence is located near 12th and Bade.

The Police Department wants homeowners to be aware of the incidents and to remind residents to lock doors, increase lighting and look out for neighbors. Several car prowls have occurred on during the same period and believed connected. The suspects stole camping gear, miscellaneous tools and a wooden rocking horse.

A security camera captured the suspects calmly entering and looking through the garage. It's concerning how brazen these suspects were entering an occupied residence says Chief Tomaras.

If you have information or know the identity of the suspects please call Detective Brian Fortin at the College Place Police Department 509-394-8550.
