

Environmental Assessment (24 CFR 58.36) (Revised 8/04)

Grantee/Responsible Entity (City, Town or County): City of College Place

Grantee/Responsible Entity Address: 625 S. College Avenue, College Place, Washington 99324

Certifying Officer (Jurisdiction Chief Administrative Official): Norma Hernandez, Mayor

Preparer: Shiloh Simrell, Natural Resources Specialist

Date (Month/Year): August 2020

Estimated Total Project Cost: \$497,330; City of College Place - \$12,800; Walla Walla University - \$20,000

List Proposed Funding Sources and Amounts: Washington State Department of Commerce
Community Development Block Grant - \$464,530

Project Name & Brief Description: Central College Place Sidewalk Project - 2020. This grant would pay for final engineering and construction of approximately 2,659 linear feet of 5-foot wide sidewalks on the following segments of roadway: east side of Davis Avenue from 3rd Street to Whitman Drive, west side of Bade Avenue from 5th Street to 6th Street, west side of Bade Avenue from 7th Street to 10th Street, and north side of 12th Street from College Avenue to Bade Avenue. The project would also include construction of two retaining walls, one at the corner of 12th Street and College Avenue and one on the corner of 10th Street and Bade Avenue.

Project Location: The proposed project location is the east side of Davis Avenue from 3rd Street to Whitman Drive, the west side of Bade Avenue from 5th Street to 6th Street, the west side of Bade Avenue from 7th Street to 10th Street, and the north side of 12th Street from College Avenue to Bade Avenue.

Project Representative: Michael Rizzitiello, City Administrator

Telephone Number: 509-394-8506

Conditions for Approval:

(List all mitigation measures adopted by the responsible entity to eliminate or minimize adverse environmental impacts. These conditions must be included in project contracts or other relevant documents as requirements). [24 CFR 58.40(d), 40 CFR 1505.2(c)]

Sidewalks shall be Americans with Disabilities Act-compliant.

Construction Contract Documents will include:

1. An Inadvertent Discovery Plan (IDP) to stop work and to notify appropriate authorities and the Washington Department of Archaeology and Historic Preservation (DAHP) in the event that cultural resources are discovered.
2. Noise restrictions limiting work construction noise to daylight hours and normal working days.
3. Dust suppression measures during construction to minimize dust from excavation and construction.

4. Dust suppression measures during construction to minimize dust from excavation and construction.

FINDING: [58.40(g)]

- ☒ **Finding of No Significant Impact**
(The project would not result in a significant impact on the quality of the human environment)
- ☐ **Finding of Significant Impact**
(The project may significantly affect the quality of the human environment)
