

SW Mojonnier Rd Reconstruction Project

This project entails reconstruction of SW Mojonnier Rd for 0.64 miles from College Avenue to Bluvue Ln (western city limits). The roadway recently transferred to City ownership from Walla Walla County jurisdiction. The City wants to reconstruct the roadway from a rural thoroughfare to a urban standard which includes two traffic lanes, bike lanes, sidewalks, and street lighting at key areas. This roadway conveys traffic to and from Meadowbrook Business District (Walmart/Library), College Place High School, Proposed new school at SW Teal Rd, and Gardena/Frog Hollow Agricultural Area. This project is in the Walla Walla Valley MPO 2045 Plan.
