For Immediate Release:

10/29/2020 – Curry County Public Health (CCPH) received notification of two new cases of Covid-19, these new cases are unrelated to each other and both cases have been verified and confirmed by the Health Officer after receiving the lab results.

Public Health has made contact with both of the Curry County residents and the individuals are home and self-isolating and monitoring symptoms. CCPH is currently investigating the cases to identify any possible contacts and exposures relevant to the case. Public Health will reach out to anyone suspected of exposure to COVID-19.

As of October 30th, 2020, at 10:00 am, the total verified number of positive cases for Curry County residents since the start of the pandemic is currently 60, with 54 recovered cases, Five active cases and one death.

Please remember, it is important that we all follow the OHA and CDC guidelines and Governor's directives about social distancing, wearing facial coverings in public buildings and protecting yourselves by staying home to slow the spread and save lives.

CCPH will continue to keep the public informed with all the information we can in order to keep our citizens safe.
