When prompted, the applicant must enter the Denville Township Police Department's ORI Number, **NJ0140800**. Entering the correct ORI Number is essential for the proper processing of the request. After entering the ORI Number, the applicant should continue to follow the prompted instructions in entering their required demographic information. Upon reaching the Filing page, the applicant must select **Local Ordinance** under the **Reason for Filing Request** prompt. A new dialogue box will open entitled **Description of Reason for Filing Request**. Please enter the following information in this box:

There is a \$20 fee for the Criminal History Record Request, which is payable through the website via Visa, MasterCard, Discover, or American Express credit cards or via debit card.
