Ethical Guidelines for Town Advisory Boards/Committees/Commissions

I pledge to comply with the following ethics guidelines as adopted by the Town of Elkin.

Members of boards/committees/commissions shall not discuss, advocate, or vote on any matters in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board/committee/commission.

If a member believes he/she has a conflict of interest, then the member should ask the board/committee/commission to be excused from voting. The board/committee/commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the board/committee/commission establishes a conflict of interest, then the member shall not vote on the matter/issue.

Any member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the board/committee/commission should excuse himself/herself from voting. The board/committee/commission may request the Town Attorney to respond in writing.
