

Petition to the Town Board of Geneva, New York

RECEIVED
APR 12 2022
GENEVA TOWN CLERK

To the members of the Town Board:

I understand the Town Board is considering changing the definition of "Agricultural Commerce" in Section 165-3 of the Town Code at the request of Ardennes Brewery such that it would explicitly allow events, weddings, festivals, and outdoor music. By signing this petition, I am stating that I am a resident of the Town of Geneva, I oppose this law change, and I urge you to vote against this proposed change.

I do not support the Town Board changing the law to facilitate breweries and wineries within the Town hosting events, festivals, weddings, and outdoor music with disregard for their neighbors.
