as follows:

Section 1. Section 165-3 of the Zoning Code of the Town of Geneva is hereby amended with the amendment of the definition of "Short-Term Rental" so this definition shall read as follows:

SHORT-TERM RENTAL – A dwelling unit that is rented, in whole or in part, to any person or entity for a period of less than 30 consecutive nights and meets all of the regulations, requirements and standards contained in Section 165-39 of this Chapter, as amended. "Rental" means an agreement granting use or possession of a residence, in whole or part, to a person or group in exchange for consideration valued in money, goods, labor, credits, or other valuable consideration. Use of a short-term rental by a record owner of a property shall not be considered to be a rental under this section.

Section 2. Paragraphs A, B, C, D, E and F of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva are hereby re-lettered to become Paragraphs B, C, D, E, F and G, respectively, and a new Paragraph A is hereby added to Section 165-39 to read as follows:

- A. Purpose. It is the policy of the Town of Geneva to encourage stable residential neighborhoods for the health and well-being of all Town residents, businesses and guests. The Town permits short-term rentals under conditions that foster neighborhood cohesion and that attempt to keep property values affordable for owner-occupancy.

Section 3. Subsections (2) and (3) of Paragraph A. (Permit Required) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva are hereby repealed and new Subsections (2) and (3) are hereby inserted in their place to read as follows:

- (2) A short-term rental permit shall be valid for three calendar years, shall expire on December 31 of the third year it is in effect, and must be renewed upon expiration as long as the unit is used as a short-term rental. In addition to payment of the permit fee with the application, the owner or owners of the subject property shall pay to the Town in January of both the second and third year that the short-term rental permit is in effect the annual permit fee required by the Town Board. Failure to pay the annual permit fee by the end of business on January 31<sup>st</sup> of the second year and third year that the short-term rental permit is in effect shall cause the short-term rental permit to immediately terminate.
- (3) The short-term rental permit is not transferable when the ownership of the subject property on which the short-term rental is located changes in any way. A short-term rental permit shall automatically terminate when the owner or owner(s) of the subject property change in any way from the owner or owner(s) listed in the short-term rental permit application. The new owners of the subject property shall apply for a short-term rental permit, submitting everything required pursuant to Paragraph B hereof, including a new permit fee for the current calendar year, even if the previous owner or owners paid such a permit fee for the current calendar year, and have such short-term rental permit issued to them prior to allowing any occupancy of a short-term rental.

Section 4. Subsection (2) of Paragraph B. (Permit Required) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva is hereby repealed and a new Subsection 2 is hereby inserted in its place to read as follows:

- (2) Application certifications:
  - a. Completion of a signed statement by the property owners stating the following:
    - [1] The short-term rental is in compliance with the following standards:
      - [a] There shall be one functioning smoke detector in and outside each sleeping room and at least one functioning smoke detector in at least one other room, one functioning fire extinguisher in the kitchen and at each exit, and at least one carbon monoxide detector per floor level.
      - [b] Exterior doors shall be operational, and all passageways to exterior doors shall be clear and unobstructed.
      - [c] Electrical systems shall be serviceable with no visual defects or unsafe conditions.
      - [d] All fireplaces, fireplace inserts or other fuel-burning heaters and furnaces shall be vented and properly installed.
      - [e] Each sleeping room shall have an exterior exit that opens directly to the outside, or an emergency escape or rescue window.
    - [2] The number of sleeping rooms within the short-term rental, as defined in this Chapter.
    - [3] The number of parking spaces on the property that meet the standards set forth in this Chapter.

(b) Application certifications shall be valid during the term of the short-term rental permit, or until modifications requiring a building permit are made, or until the Town Code Enforcement Officer has reason to believe a new inspection is warranted, at which point the Code Enforcement Officer shall conduct an inspection to determine whether the requirements of this chapter are being complied with. If relevant circumstances on the property change or for any reason the application or the certification that is a part of the application is or becomes inaccurate, a new certification shall be submitted.

Section 5. The last sentence of Subsection (4) of Paragraph B. (Permit Required) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva, which reads, "The Town Code Enforcement Officer may allow occupancy in excess of these regulations and standards if circumstances show the system will adequately function for an allowed occupancy, and may condition any variance on certain actions and safeguards by the owner, such as frequent pumping of the septic tank or further periodic inspection by the Town Code Enforcement Officer or designee", is hereby deleted therefrom.

Section 6. Paragraph B. (Permit Required) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva is hereby amended with the insertion of a new subsection (7) to read as follows:

(7) Written consent for the Town Code Enforcement Officer to enter the subject property and the short-term rental for purposes of conducting all inspections called for in this section as part of the review of a short-term rental application, as part of ensuring compliance with the regulations, requirements and standards of this section and as part of the investigation of a complaint alleging a violation of this section or of a permit issued pursuant to this section.

Section 7. Subparagraph (b) of subsection (1) of Paragraph C. (Permit Required) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva is hereby repealed and a new subparagraph (b) is hereby inserted in its place to read as follows:

(b) The number of people calculated on the basis of two persons per sleeping room (unless the room size is below 100 square feet). For this purpose, a sleeping room is defined as fully enclosed habitable space of at least 70 square feet for one person and 100 square feet for two persons, with an emergency escape or rescue opening.

Section 8. Paragraph C. (Short-term rental standards) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva is hereby amended with the insertion of a new subsection (7) to read as follows:

For purposes of this requirement: (a) "owner-occupied" shall mean that at least one owner in title to the lot or parcel that the short-term rental is a part of either: (i) occupies for at least 7 months of each calendar year as his or her residence all or part of dwelling unit that contains the short-term rental, or (ii) occupies for at least 7 months of each calendar year as his or her residence a dwelling unit on the lot or parcel that the short-term rental is a part of, other than the short-term rental; and (b) "owner-supervised" shall mean that at least one owner in title to the lot or parcel that the short-term rental is a part of occupies for at least 7 months of each calendar year as his or her residence a dwelling unit on a lot or parcel that is contiguous to or immediately across the street from the parcel containing the short-term rental. This standard requiring the short-term rental be owner-occupied or owner-supervised shall not apply to any short-term rental permit, or renewal thereof, in existence

on the date the local law enacting this standard takes effect and shall only apply to short-term rental permits issued after such effective date.

Section 9. Subsections (1) and (2) of Paragraph D. (Procedure upon filing application) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva are hereby repealed and new subsections (1) and (2) are hereby inserted in their place to read as follows:

- (1) Upon the filing with the Town Code Enforcement Officer of the permit application, containing the owner's written consent allowing the Town Code Enforcement Officer to enter the short-term rental and the lot or parcel of which the short-term rental is a part for purposes of conducting the inspections called for in this section, permit fee, and all documents and information required by this chapter, the Town Code Enforcement Officer shall:
  - [a] Conduct an inspection of the short-term rental and the lot or parcel of which the short-term rental is a part to verify compliance with this Chapter, to verify compliance with New York State Laws, Codes and regulations, to verify the number of sleeping rooms within the short-term rental, as defined in this Chapter, to verify the number of parking spaces on the property that meet the standards set forth in this Chapter and to verify that the short-term rental complies with the following standards:

    - [iii] Electrical systems shall be serviceable with no visual defects or unsafe conditions.
    - [iv] All fireplaces, fireplace inserts or other fuel-burning heaters and furnaces shall be vented and properly installed.
    - [v] Each sleeping room shall have an exterior exit that opens directly to the outside, or an emergency escape or rescue window.
  - [b] Have 30 days to complete the inspection required in [a] above, to review the application, and then to either issue the permit, with or without conditions, or notify the applicant in writing that the application has been denied, along with the reason or reasons for denial. If a permit is issued, the permit shall bear the signature of the Town Code Enforcement Officer.
- (2) In reviewing the application, if the Town Code Enforcement Officer has probable cause to believe information contained in the application is inaccurate or incomplete, he or she may request additional information to clarify or verify the situation. A failure to cooperate and provide accurate and complete information is grounds for denial of the permit.

Section 10. Subparagraph (e) of subsection (5) of Paragraph D. (Procedure upon filing application) of Section 165-39 (Short-Term Rental Regulations) of the Zoning Code of the Town of Geneva is hereby repealed and a new subparagraph (e) is hereby inserted in its place to read as follows:
