Genoa Township Announces Schedule for Summer Movies in the Park

Genoa Township will kick off its popular event series, Movies in the Park, with a family-friendly movie showing once each month this summer on June 17, July 15 and August 19. Movies to be shown include popular box-office hits including Storks, Moana and Sing.

The series will be held at McNamara Park (7049 Big Walnut Road) with each movie starting at dusk, approximately 8:00pm. Admission and popcorn are free. Groups are encouraged to gather early to picnic and enjoy park amenities such as the playground and trails. Additionally, Genoa Township Firefighters will host a pre-movie activity for children. Some picnic tables are available, but groups are welcome to bring chairs, blankets, and bug spray to most comfortably enjoy the movie. Restrooms are available on-site.

"Summer movies have all the elements for the perfect family outing," said Trustee Connie M. Goodman. "Safe space for kids to release their energy, an opportunity to be outside, friendly neighbors and, of course, popcorn!"

June 17- Storks

Storks deliver babies -- or at least they used to. Now, they deliver packages for a global internet retail giant. Junior, the company's top delivery stork, lands in hot water when the Baby Factory produces an adorable but wholly unauthorized girl. Desperate to deliver this bundle of trouble, Junior and his friend Tulip, the only human on Stork Mountain, race against time to make their first baby drop before the boss finds out.

July 15- Moana

An adventurous teenager sails out on a daring mission to save her people. During her journey, Moana meets the once-mighty demigod Maui, who guides her in her quest to become a master way-finder. Together they sail across the open ocean on an action-packed voyage, encountering enormous monsters and impossible odds. Along the way, Moana fulfills the ancient quest of her ancestors and discovers the one thing she always sought: her own identity.

August 19- Sing

Dapper Koala Buster Moon presides over a once-grand theater that has fallen on hard times. An eternal optimist, and a bit of a scoundrel, he loves his theater above all and will do anything to preserve it. Facing the crumbling of his life's ambition, he takes one final chance to restore his fading jewel to its former glory by
