OFFICIAL STATEMENT

Genoa Township Police and Fire Departments responded to a home on Lewis Center on Thursday, May 2, 2019 at approximately 1:19 p.m. for a wellbeing check after receiving a 911 call from a concerned family member. Paramedics found the resident family of four deceased. First responders encountered elevated levels of carbon monoxide upon making entry, but the cause of death is still currently under investigation.

Genoa Township expresses its deepest condolences to the family.
