2016 COMPREHENSIVE PLAN

A GUIDE FOR LAND USE IN GENOA TOWNSHIP

"Residents of Genoa Township wish to preserve the Township's rural character through protection of open spaces and valuable environmental resources. Local infrastructure and community services should be maintained and improved to build on the community's strong identity as 'A Nice Place to Live' while promoting well-maintained, family-oriented neighborhoods, with linkages that connect public spaces, such as parks and trails." - Genoa Township, 2008
