<u>Notes</u>

- (1) Net Operating Income.
- (2) Minimum cash balance requirment is 15% of operating expense excluding debt service and other capital expenditures (includes depreciation and interest expense).
- (3) Additional NOI means cash flow surplus. Represents new cash excess necessary to cover debt service expenses. Calculation to meet the debt coverage requirment could add to the figure but target does include depreciation which is excluded from the debt coverage requirement calculation.
- (4) Yr < Target represents at what year deficit spending on new debt service would drop the golf club cash balances below the minimum cash balance requirement. Assumes no new NOI (i.e. break even on new services and enhanced operations).
